

ACHIEVING RESULTS, TOGETHER

BUSINESS-MINDED LAWYERS, EFFICIENTLY ACHIEVING YOUR GOALS.

AVILA (Avila Rodriguez Hernandez Mena & Garro LLP) is the creation of seasoned founders who chose to depart one of the nation's largest Am Law 50 firms with a vision of providing the highest level of client service. Specifically, one that combines BigLaw sophistication with boutique firm personalization.

Comprised of business-minded lawyers respected as thought-leaders within their respective areas of practice, our multi-disciplinary firm delivers what clients really want: to achieve today's goals while building a platform for tomorrow's success.

Since 2007, our founders have strategically grown the firm by curating a dream team of lawyers and business staff members united by a common thread: A Collaborative Spirit and Unwavering Commitment to Excellence.

From the boardroom to the courtroom, our lawyers are noted for their powerful reputations and proven track records which are invaluable when representing their clients in front of judges, opposing counsel or regulatory authorities.

We serve as our clients' trusted allies, anticipating and addressing issues to advance their best interests.

Beyond our legal counsel, our clients appreciate our white-glove service and ability to accommodate their needs for custom-tailored fee arrangements.

While we appreciate the many legal achievements, awards and accolades we have received over the years, we take greatest pride in the deep, lasting relationships we have forged with our clients, industry colleagues and community partners. We consider our professional and personal relationships – earned over time and built on the highest standards of ethics, integrity and professionalism – the greatest measure of our firm's success.
