We routinely counsel small and mid-size businesses in a variety of industries and for many serve as outside general counsel providing informed advice for important company decisions and strategic planning services. In addition, we provide businesses with guidance on:

- ❖ Corporate formation and the development of procedures and practices to enable a successful venture
- ❖ Corporate governance and operations
- ❖ Shareholder, partnership and other agreements between business owners
- ❖ Executive compensation agreements
- ❖ Development of various business agreements
- ❖ Contract negotiations and disputes
- ❖ Employment matters
- ❖ Health benefits and ERISA issues
- ❖ Industry specific compliance concerns
- ❖ Interactions with and representation before federal, state, and local governmental agencies
- ❖ Trademark applications and licensure matters

We also represent businesses in all manner of litigation and dispute resolution in federal and state courts. Our corporate counseling also integrates our expertise in the other areas of our practice, including government contracts, employment, ERISA, and health law.
