Recognized in April 2012 by the *Recorder* as one of fifty young California lawyers "On the Fast Track" (read more here), in January 2014 as a "Top 20 Lawyer Under 40" by the *Daily Journal* (read more here) and in February 2015 for securing one of the "Top 20 Defense Verdicts of 2014" by the *Daily Journal* (read more here), Will Delgado is an experienced trial lawyer whose practice focuses on intellectual property litigation, class actions, and complex business litigation.

Will's practice spans the entire United States, and he has been counsel of record in scores of federal lawsuits throughout California as well as in Nevada, New York, Texas, Delaware, Michigan, Colorado, and Florida. Because of his focus in developing areas of law, Will frequently litigates and lectures on issues of first impression.

Will Delgado comes to Willenken after having obtained an electrical engineering degree from the University of Oklahoma, a JD (*magna cum laude*) from NYU School of Law and practicing with the firm Quinn Emanuel Urquhart & Sullivan LLP.

He is originally from Miami, Florida and bilingual in Spanish, which has led to his repeated representation of companies hailing from Latin America and Spain. In his admittedly limited spare time, he spends time with his wife and two boys.

Recently, Will was one of the authors of "A Crash Course in Data-Security Regulation and Litigation" which appears in the September 2015 issue of the *ACC Docket*. Read it here.
