

Good Afternoon, Members:

We are soliciting NAMWOLF members to submit an application for the MEO Co-Chair position currently held by Linda Burwell. This person would work closely with Sandy Sakamoto, the Committee's other current Co-Chair.

The function of the MEO Committee is to attract and retain member firms. If you want to keep your hand on the pulse of NAMWOLF, this is the Committee for you. It keeps members active and involved within the organization by, among other things, assisting with the New Member Mentor Program, recruiting new members, conducting New Member Orientations, developing cross marketing programs, issuing newsletters and Website development, preparing Law Firm Forum Programs and working with the Emerging Leaders. The goal is to keep members active and to improve networking and the MEO is working on reviewing and revising its structure to more effectively serve the members.

If you are interested in being a Co-Chair, submit your name, contact information, a short statement as to why you could be effective in this position (one paragraph) and a short statement on what you see as a vision for the MEO (one paragraph). This submission should be sent electronically to Sherisse Rodriguez by December 1, 2014.

Linda Burwell
National Employment Counsel, PLLC
