Stewart|Bradbury

PLLC

Stewart|Bradbury is a litigation boutique on the defense for its clients. We practice in the areas of commercial, construction, labor and employment, product liability, insurance defense, and alternative dispute resolution.

We collaborate with our in-house and business team members to create a game plan to meet their business objectives. We execute that strategy based on our common goals and values. Our client-centric approach includes:

- X An Open Communication Style
- X Attacking Problem-solving as a Team
- X Utilizing A Direct Approach to Meet Client's Needs
- X Embracing Diversity of Thought and Experience

Practice Areas

Stewart|Bradbury's lawyers have represented clients in the airline, automotive, energy/oil & gas, financial services, food manufacturing, food services, ground transportation, healthcare, insurance, manufacturing, retail, and telecommunication industries in the following practice areas.

What Clients Say

“When working with **Sarah** I receive practical solutions, candid feedback, and timely responses. Sarah not only thinks about issues from the legal standpoint, but also **how decisions or solutions will impact our business.**”

“**Keron Wright** does an excellent job of **staying focused on the big picture** and the client's expectations, always keeping the client's ultimate goal as his top priority. Working with Keron was a real pleasure!”

“**Amy** includes, **galvanizes and maximizes all the parties' contributions** to a winning strategy. I do not recommend many attorneys given the inherent risks associated with labor and employment work, **but I recommend Amy often to potential clients without reservation.**”

“This **Sarah Bradbury** is **seriously spectacular.** We should have her on speed dial.”

“**Amy** brings a **culturally diverse perspective** that strengthens her ability to deliver excellence for her clients.”

“If you want a thoughtful, **real-world approach to problem solving**, I recommend Michele as a trusted partner.”

“I know **I can trust Sarah** to provide clarity of thought and a sound, practical approach to problem-solving.”

“**Keron** is a talented and pragmatic lawyer that provides his clients' with **sensible business solutions.** When litigation becomes necessary; however, he is equally talented as a **zealous advocate** in the courtroom.”

“**Amy** is a wizard at absorbing the facts and **developing a winning strategy.** Her execution is well beyond her years. But her **greatest strength** very likely is **client management.**”

“**You have made great strides in creating a very satisfied client!**”
