THE GAME PLAN

Strategy, teamwork, diversity, and superior performance are in Amy's DNA from her experience as a former NCAA Division I collegiate athlete and basketball coach. As a client of SLG, you can count on the same focus, drive, and collaboration when we work with you.

CREATING A NEW GAME PLAN Amy M. Stewart formed Stewart Law Group PLLC in 2017 to be an indispensable resource to in-house counselors who—regardless of the matter— refuse to lose. That is why "We're on Defense" has become more than just a tagline for Stewart Law Group. It is a tireless mindset that drives Amy—and every member of the team—to remain focused on securing successful legal outcomes for every client. Whether it's general civil litigation, labor and employment, contracts, product liability, arbitrations, personal injury, or insurance defense, the Stewart Law Group team brings transparency and a personalized experience to each client engagement.

PRIORITIZING THE CLIENT, THEIR BUSINESS, AND THEIR OUTCOMES Stewart Law Group expertly plays its position as an extended part of the clients' team. The firm prides itself on prioritizing the objectives of litigation in the context of the clients' business strategy and long-term goals. The singular measure of success for SLG is client satisfaction. The billable hours accumulated on the path to victory are secondary to the trust and lasting relationships built by working collaboratively to achieve the win.

BRINGING MORE TO THE TEAM Stewart Law Group delivers hard-to-find expertise and specialized insights to each client engagement. Stewart Law Group is one of the few legal services firms certified as a Minority and Woman-Owned Business, the lone firm in Dallas. The distinction strengthens the value the firm brings to its clients, helps attract the brightest talent, and makes Stewart Law Group a role model in the community.

BECOMING THE NO. 1 PICK Stewart Law Group is setting the pace for a new way to team up with for-profit and non-profit entities of all sizes in the Dallas-Ft. Worth area. As corporate in-house counsel increasingly draft small and fierce firms to help meet their ever-evolving litigation needs, Stewart Law Group has quickly become a number-one pick for outside counsel support services.

A WORD FROM FOUNDING PARTNER AMY M. STEWART A personalized touch and a strong, winning track record have earned Stewart Law Group a coveted place on many in-house counsel teams. Since its inception, the firm has quickly attracted a diverse clientele and has tripled in size based on the results the Stewart Law Group team of attorneys has produced.

"We have ongoing engagements with great clients and we've accomplished an amazing amount of work since we opened our doors," said founding partner Amy M. Stewart.
