Sponsorship Opportunities

CHAMPION DIVERSITY IN THE LEGAL PROFESSION

Founded in 2001, NAMWOLF is a non-profit trade association dedicated to promoting and enhancing diversity and inclusion in the corporate legal community. While many outstanding organizations also support these efforts, NAMWOLF is the only Association focusing on supplier diversity in the legal profession – an often-overlooked segment in many corporations’ programs.

By supporting NAMWOLF, your company is advancing the continued growth and success of minority and women owned law firms while helping your company achieve its diversity goals.

Why Support NAMWOLF?

- Supporting NAMWOLF’s operations will allow us to continue to provide leading US corporations, governmental agencies, and other institutions with access to highly-skilled and carefully-vetted law firms owned and managed by MBE, WBE, and LGBT partners.
- Sponsorship of NAMWOLF’s signature events allows us to educate corporate attorneys about implementing effective and sustainable diversity initiatives in their legal departments. Our annual Law Firm Expo allows in-house counsel to efficiently meet MBE, WBE, and LGBT certified law firms to determine their suitability for inclusion in outside counsel panels and their ability to handle specific corporate matters.
- Economic support of NAMWOLF will further demonstrate your organization’s commitment to diversity and inclusion in the legal profession and will complement your initiatives with “big firm” and other service providers.
- With the corporation’s permission, the corporation’s commitment will be advertised in NAMWOLF press releases, on the website, and in social media.
- Support of NAMWOLF will create positive branding in the diversity supplier marketplace, enhance the profile of your legal team, and contribute to attracting high-caliber candidates.

Our annual events draw over 800 attorneys and in-house counsel from across the nation

NAMWOLF's Annual Meeting & Expo, held each September, is attended by 400+ in-house counsel and 50+ partner level attorneys from more than 70 member law firms. The Business Meeting, held each February, is purposely smaller with 300+ attendees, provides a significant opportunity for in depth exposure for your company. Both events offer a valuable platform to showcase your organization's commitment to diversity and inclusion, feature professional development opportunities, and provide access to legal experts and peers.
