- Culhane Meadows is a full-service women-owned business law firm with approximately 70 attorneys in 10 major business markets (and licensed in more than 20 different U.S. jurisdictions).
- Our partner-only roster is comprised exclusively of highly experienced former Big Law attorneys and we have no associates or junior lawyers who train on the client's dime.
- We provide an array of legal services for a broad range of clients, including over 25 Fortune®-ranked public companies and international organizations across a variety of geographic markets and industries, including: banking, telecommunications, energy, food & beverage, hospitality, travel, manufacturing, logistics, real estate, retail, and fashion. We also serve numerous other clients ranging from high-tech start-ups to family-owned franchise systems, and everything in between.
- We offer business-savvy solutions that only seasoned professionals with an average of 20+ years of experience can provide. This allows us to act as facilitators, not "roadblocks" to your business objectives.
- Our low-overhead business model leverages emerging cloud technology to reduce costs, which results in competitive fees that are unmatched by similarly-experienced partners at traditional national law firms. We also offer flexible and predictable rate plans that align our business incentives with yours, including alternative fee arrangements for many of our services.
- Our lawyers place a premium on relationships. We partner with you by getting to know your business and people, so that we can act seamlessly as an extension of your organization.
