- **Culhane Meadows is the country's largest full-service women-owned business law firm with over 70 attorneys in 10 major business markets** (and licensed in more than 20 different U.S. jurisdictions).
- **Our partner-only roster is comprised exclusively of highly experienced former Big Law attorneys** and we have no associates or junior lawyers who train on the client's dime.
- **We provide an array of legal services for a broad range of clients, including over 25 Fortune®-ranked public companies and international organizations** across a variety of geographic markets and industries, including: banking, telecommunications, energy, food & beverage, hospitality, travel, manufacturing, logistics, real estate, retail, and fashion. We also serve numerous other clients ranging from high-tech start-ups to family-owned franchise systems, and everything in between.
- **We offer business-savvy solutions that only seasoned professionals with an average of 20+ years of experience can provide.** This allows us to act as facilitators, not "roadblocks" to your business objectives.
- **Our low-overhead business model leverages emerging cloud technology to reduce costs, which results in competitive fees that are unmatched by similarly-experienced partners at traditional national law firms.** We also offer flexible and predictable rate plans that align our business incentives with yours, including alternative fee arrangements for many of our services.
- **Our lawyers place a premium on relationships.** We partner with you by getting to know your business and people, so that we can act seamlessly as an extension of your organization.
