ABOUT NAMWOLF

Founded in 2001, NAMWOLF is a non-profit trade association serving corporate and public entities interested in diversifying their outside law firm portfolios. Available data strongly suggest that the most effective way for corporations to proliferate diversity in the legal profession is to retain minority and women owned law firms. For more than a decade, NAMWOLF has been successfully providing corporations and public entities with unique access to an exclusive group of carefully vetted minority and women owned law firms. In turn, NAMWOLF Law Firms provide their clients with superior work product, long lasting relationships and valuable strategic alliances.

OUR MISSION

Promote diversity in the legal profession by fostering successful relationships among preeminent minority and women owned law firms and private/public entities.

OUR VISION

Achieve equity in legal opportunity through minority and women owned law firms.

OUR GOALS

- To highlight a select group of minority and women owned law firms who have exhibited excellence in the legal profession.
- To advocate for the retention of minority and women owned law firms by businesses and other entities.
- To build strategic alliances, coalitions and affiliations among member firms.
- To ensure the long term survival of minority and women owned law firms.
- To support the continued growth and success of minority and women owned law firms.
- To encourage women and minorities to pursue careers in the legal profession and to foster the formation of minority and women owned law firms.
- To develop the professional excellence of minority and women owned law firms through training and education.

CRITERIA FOR ADMISSION

- Certified as a minority, women or LGBT owned, operated, managed and controlled (51% or more) firm. Must be certified by the National Minority Supplier Development Council (NMSDC), the Women's Business Enterprise National Council (WBENC), or The National Gay and Lesbian Chamber of Commerce (NGLCC).
- Favorable client references from national and regional corporations or major public entities, including corporate references within the Fortune 500
- Excellence in quality of law practiced, as evidenced by corporate references, presence on outside counsel approved lists and panels for national or regional corporations, and other awards and memberships
- Martindale-Hubbell AV Peer Review Rating (4.5 - 5.0)
- Three or more full-time attorneys in the firm
- Headquartered in the U.S. or Puerto Rico
- Sufficient practice liability insurance (at least \$2 million)

The NAMWOLF team performs independent research on each prospective firm. After the firm's application is complete, the Admissions Committee, comprised of in-house counsel and NAMWOLF law firm members, reviews the collected materials and makes a recommendation for or against membership to the Board of Directors, with whom the final decision rests. Our goal is to have a blend of minority, women and LGBT owned law firms, dispersed geographically across the United States, representing a variety of corporate law expertise.

LITIGATION

Insurance Coverage Litigation

We handle large-scale, complex insurance litigation in courts across the country and we're proud of the results we've achieved for our clients. The secret? Diligent preparation, tireless attention to detail, and years of experience—combined with a proactive, strategic approach to early resolution.

NEGOTIATION

Strategic Claim Advice + Dispute Resolution

Clients seek our expertise when dealing with complicated or high-stakes insurance claims. We provide strategic input on large loss claim preparation, handle negotiations when insurers take aggressive coverage positions, and safeguard clients' interests when their insurers are responsible for defending and settling lawsuits under corporate liability insurance policies.

CONSULTATION

Insurance Program Review + Analysis

Clients engage us to help them understand their insurance policies and evaluate the effectiveness of their risk transfer tools—including insurance policies, indemnity agreements, and contractual insurance requirements. Tailoring our services to clients' particularized needs, we analyze entire insurance programs or individual policies, typically during vendor contract negotiations or the renewal process.

The lawyers at **CHEN MALIN LLP** practice at the intersection of complex transactions and litigation. We eschew playbooks when solving problems, and our approach impacts results. Defying convention in the IT industry, we secured major concessions from vendors that later formed the basis for multiple 8-figure recoveries for our client. In bet-the-company litigation, we have multiple trial and pre-trial victories against teams from AmLaw 100 and well-known plaintiffs firms. In each instance, our clients were successful when observers expected adverse results. Our clients include multiple Fortune 100 and Global Fortune 500 companies, and they entrust us with contracts that impact 11-figures in annual operating revenues and litigations when the stakes matter.

Counter-parties have sought our advice after negotiations have concluded. We have won cases using theories that the same courts have rejected—when those theories were advanced by others. We are one of a handful of teams in the country that have successfully litigated a F/RAND (patent) case to verdict. And our examinations of opposing witnesses have repeatedly had case-dispositive effect.

What our clients say

"One of the most effective and efficient counsel I have ever worked with"

"Great understanding of business operation(s)"

"Coalesces ... technical knowledge ... legal acumen ... and negotiation skills to provide ... exceptional legal advice in a 'user-friendly' manner"

"A strong trial lawyer ... admired for his ability to assimilate and simplify complex technological details in IP disputes of all kinds"

"His extensive expertise and abilities as a litigator, negotiator and advocate are obvious"

Headquartered Tempe, Arizona

A law firm willingness to economically include all people is a willingness to embrace best practices in legal service for the benefit of the client and the communities the client serves. ©

Gonzalez Law, LLC is headquartered in the heart of the growing Phoenix metropolitan area of Arizona. We are frequently retained by in-house NAMWOLF counsel in Arizona and the United States.

We have substantial experience with litigation and employment matters having litigated in the United States Supreme Court and other courts throughout the United States and Arizona. Similarly, we understand the importance of acting immediately to defuse matters and avoid litigation through immediate attention or settlement. Our attorneys have been recognized by leading national associations including selection for *Best Lawyers Law Firms*, *America's Top 100 Lawyers* and the *P.L.A.C.* This is because of our experience and our commitment to the law as exemplified by a firm partner who is the Arizona editor for a national employment publication where she edits a monthly Arizona Employment Law Letter and regularly presents seminars including topics concerning immigration for Arizona employers; employment discrimination, FMLA compliance and employee leave challenges.

Core Practice Values

Our commitment to excellence and client satisfaction also derives from two core practice values. Initially, early evaluation and experienced fact gathering is essential to a proper representation. Next, we look toward creative options with proper communication appropriate to the specific representation and client objectives. We want clients to be well aware of risks associated with their cases. Our track record of success continued in the 2018 and 2019 calendar years with multiple satisfied clients in federal and state courts including in the growing Maricopa County, Arizona state court system.

Leadership Legacy to Cloud Technology

Our attorneys have participated in, led and founded programs dedicated to economic inclusion helping to change our profession for the better both nationally and at state levels. We are proud of this legacy. We continue to grow with our clients while serving our communities. We are pleased that we have an attorney member of a sizeable tribal nation Bar in Arizona with a bar examination that requires learning new language terms to be admitted. Our participation in area Hispanic Chambers of Commerce often means engaging developing businesses and understanding their needs. We believe a willingness to include all people is a well-tested willingness for best practices in the service of both client and community. Inclusion of ideas, cultures and people naturally has us embrace best practices in law.

KUCHLER POLK WEINER, LLC

At Kuchler Polk Weiner, experience, integrity and an unrelenting desire to achieve success for our clients are our guiding principles.

KUCHLER POLK WEINER ON DIVERSITY

Kuchler Polk Weiner is a certified Women's Business Enterprise ("WBE"). Our three founding partners are women, one of whom is also a minority.

To us, diversity is about our client often being the only party in the courtroom with female or minority lawyers who actually have a speaking role and are in command of the litigation. We feel diversity is about having corporate clients who truly trust us with their complex litigation and not simply the "small stuff." Diversity is about having jurors anxious to see us in action to determine if we can "hold our own" against the more traditional gray-suited lawyers and finding that we do more than just hold our own. Diversity is about being able to relate to that working mom on the jury because we are working parents, ourselves. Diversity is about speaking the language of the everyday person who just happens to be sitting on the bench or in the jury box because we are everyday people. Diversity is who we are – not something we do. Because of who we are, our female trial lawyers are in high demand with our Fortune 500 clients and we're achieving great trial results for them.

LIMNEXUS

WHO WE ARE

Founded in 1986, LimNexus is a leading corporate boutique firm comprised of lawyers who are highly regarded in their respective areas of practice. Our lawyers provided excellent legal counseling and representation, enabling our clients to optimize their opportunities and manage their risks. We combine the quality and expertise of a large firm with the value and personal attention of a boutique firm. Our goal is to exceed the expectations of our clients by achieving extraordinary results.

As a diverse firm, LimNexus takes pride in showing the leadership of corporate America what diverse lawyers can accomplish. We embrace every representation opportunity as our chance to demonstrate that when legal excellence meets diversity, the quality of legal representation is elevated to a new height. We combine such high quality work with efficiency and agility to produce unparalleled value for our clients. Simply, we believe in earning our clients' trust and loyalty, and we know just how to do that.

Our business model is to bring together exceptional lawyers who believe in our mission and share our core values. Almost all of our lawyers have joined the firm laterally from national or international law firms or Fortune 50 companies, as they desired a platform that is aligned with their life values. We believe that life is too short, and the work to be done is too vast, to waste our energy in an inefficient, ineffective platform where the singular goal is to make money. Our purpose is higher, and we're not bashful about it! We fulfill our purpose with pride and joy. Our view is that happy lawyers make better lawyers!

RIVERO MESTRE

MIA 305 | 4452500 NYC 212 | 8809451

www.riveromestre.com

Rivero Mestre focuses exclusively on litigation matters. Our multilingual attorneys and staff are ready to take on national and international litigation challenges in the following practice areas:

Complex Commercial Litigation

Because of our trial experience, we begin with the end in mind. We start from the certain knowledge that all pre-trial litigation must be directed to ultimately winning a trial. We are experienced trial lawyers who handle business cases from investigation to verdict and appeal in every conceivable type of commercial dispute. By preparing for the ultimate contest, we improve our clients' position at every stage of the case. Because of the depth and breadth of our experience, we are able to handle both general commercial cases and cases in more specialized areas of the law, allowing us to be cost-effective and deliver value.

International Litigation & Arbitration

From our Miami and New York offices, we focus on resolving complex, high-value international business disputes. The firm routinely represents clients in federal and state courts in the U.S. in litigation arising out of international business operations. As a result, we are experienced with the legal doctrines and practical considerations that repeatedly arise in international business disputes.

We are battle-tested in cross-border arbitration all over—from a Spanish-language arbitration under Ecuadorian law in Mexico City to an English-language arbitration in New York under Mexican law for a Dutch client. Our multilingual and multicultural lawyers are uniquely equipped to assist you in resolving your international disputes through arbitration.

Rivero Mestre has represented clients in disputes administered by the International Chamber of Commerce, the American Arbitration Association (including its International Center for Dispute Resolution), JAMS, FINRA, NYSE, Stockholm Chamber of Commerce, and the Caracas Chamber of Commerce, as well as in "ad hoc" arbitrations. Reflecting the excellent reputation the firm enjoys, from time to time our lawyers are nominated to serve as arbitrators by experienced litigators at other major firms.

Internal Investigations

If your company needs an internal investigation, you have a dangerous situation that requires highly-skilled and experienced outside counsel. Such investigations pose a thicket of potential problems, like privilege waiver and independence challenges. Rivero Mestre has conducted internal corporate investigations in the United States and in foreign countries involving varied allegations of wrongdoing from securities fraud to accounting malpractice to Foreign Corrupt Practices, while crossing languages, borders, and cultures.

We have also represented companies and boards in derivative and other litigation related to internal investigations, and we have advised clients about their rights under D&O insurance policies.

White Collar Criminal Defense

Rivero Mestre's highly-skilled team of white-collar practitioners has represented public officials, executives, managers, corporations, and professionals in the most sensitive of regulatory, state, and federal investigations, and at all stages of white-collar criminal litigation in federal and state courts.

We have defended our clients against allegations of corporate misconduct and personal criminal liability in every imaginable sector of the economy including: securities, banking, financial services, accounting, government contracting and procurement, health care, environmental, taxes, insurance, bankruptcy, computer and intellectual property, and international trade and investment. We also have substantial experience with the complexities of the Foreign Corrupt Practices Act, the money-laundering statutes, and forfeiture laws.

Attorneys for Business

What are you looking for when you hire a legal team to defend your company?

We take care of business. Whether defending manufacturers in product liability actions, representing companies in catastrophic personal injury actions, protecting the reputation of major theme parks, advocating the commercial interests of banks and financial institutions, or following the needs of a growing region, our practice focuses on representing the interests of businesses from around the globe.

We understand the priorities of General Counsel. Our attorneys have devoted their entire legal careers to representing the interests of small to Fortune 10 companies in litigation settings. We are comfortable in the Boardroom or the Courtroom, and in either we strive to further the interests of our clients.

We believe in mediation and reasonableness. We encourage our clients and adversaries to resolve their differences amicably if they can. But alternative resolution is not the solution in every case and we strongly believe that a right to trial by jury is as important to a business as it is to an individual.

Litigation is not cheap, easy, or for the faint of heart. However, when litigation is appropriate or unavoidable, we work closely with our clients to develop a comprehensive strategic litigation plan and we strive to achieve their goals in efficient and economical ways. We offer electronic billing, alternate billing alternatives, detailed budgeting, and close communication with case handlers to avoid surprises.

We pride ourselves on being consummate professionals who offer our clients quality, leadership, commitment, and diversity. Our peer-reviewed accolades and our network of long term institutional clients speak for themselves. You can learn more about each by visiting our website, or our Facebook or Twitter accounts.

We serve on the following NAMWOLF Practice Area Committees which reflect our experience and focus:

ABOUT TLG

TUCKER LAW GROUP, LLC is an AV-rated boutique litigation firm based in Philadelphia, Pennsylvania, Marlton, New Jersey and South Florida. What began in 1993 as an idea to deliver legal services in a different way has evolved into an outstanding team of legal professionals committed to providing exceptional legal counsel to clients in a wide range of complex legal issues. TLG is a vibrant practice that has attracted a diverse group of attorneys from some of the nation's largest firms and most prestigious law schools. Recognized as Super Lawyers, Rising Stars, and Community Leaders, TLG's attorneys are committed to innovatively solving our clients' legal problems. The attorneys of TLG measure their success by fully aligning with our clients' best interests – handling matters efficiently and effectively. This formula—highly driven and talented attorneys motivated by clients' needs—works. Our talented legal team is called again and again to handle high stakes litigation, and, often, to assume the handling of matters that have faltered at other firms. Our clients trust TLG because we **"MAKE RESULTS HAPPEN."**

TLG's GOAL: CLIENT SUCCESS

The proof of our commitment is in our results. Below are just a few representative matters. We invite you to visit www.tlgattorneys.com for more examples of our experience.

Successfully represented a national food chain in a two and a half week jury trial of a breach of contract claim for \$20 Million brought by a supplier claiming antitrust and unfair competition practices that caused it to go bankrupt.

Obtained non-suit in a case involving the death of a 14-year-old with a known and documented heart condition (hypo tropic cardiomyopathy), who died while participating in a physical education course. Notably, TLG was retained only one month before trial and prior defense counsel had taken no depositions and had received an order precluding the client from offering any expert testimony at trial. TLG also successfully handled the appeal to the Superior Court, where the grant of non-suit was affirmed.

Represented a major Philadelphia employer in an employment discrimination case brought by nine Plaintiffs. Eight of the plaintiffs' cases were dismissed by motions and the remaining plaintiff settled for what amounted to a few weeks of his salary.

WHY CHOOSE TLG?

- Our proven track record: TLG has tried over 100 cases to verdict.
- Our experience, knowledge and resources
- The strategic advantage of diverse client representation: From multi-national *Fortune 100* corporations and some of the nation's most renowned colleges and universities to individual litigants, we know litigation from all angles.
- Our team approach and cost-effective litigation techniques: We thoroughly vet each case and we staff our cases for maximum efficiency and accessibility.

NOTABLE RESULTS

- On behalf of a national discount tool and equipment retailer, we secured motion *in limine* rulings in Georgia excluding expert opinions bearing on product defect issues, leading to a favorable settlement, in a product liability lawsuit where three plaintiffs alleged a gas can explosion caused permanent and disfiguring injuries.
- We represented the employees of an electric vehicle start-up facing allegations of misappropriation of trade secrets, violation of non-solicitation and confidentiality obligations, and breach of fiduciary duties in arbitration, reaching a favorable settlement.
- We obtained a total defense victory and secured dismissal with prejudice of a bid-rigging and unfair competition lawsuit against Motorola Solutions.
- On behalf of Lumens Co., Ltd., a Korean LED manufacturer, we obtained a \$1 million victory and a total defense victory to \$16 million in counterclaims.
- We defended the nation's largest gas utility in a five-week major personal injury trial. Although the client already stipulated to liability, we staved off punitive damages and the jury awarded less than half of plaintiff's demand.
- In a two-week breach of contract trial, we defended a leading consumer electronics maker. We won a motion for non-suit on claims for consequential damages and the jury awarded less than half of plaintiff's demand.
- We defended a major gas utility in three consolidated wrongful death actions. Before jury selection, we won a key motion to exclude evidence of a similar prior accident. All three claims then settled at a fraction of plaintiffs' demands.

FIRM PROFILE

Created in 2000, Lori S. C. Yokoyama & Associates, P.C., is a wholly owned female Asian American law firm in Chicago. The Firm has a combined litigation history of over 70 years. As our Firm has represented Fortune 500 companies and professional individuals in over 40 jury trials, and hundreds of mediations, arbitrations and pre-trials, we have proven ourselves as a highly qualified Litigation and Consulting firm. The Firm and its Founder, Lori Yokoyama have been the recipients of numerous awards and honors.

The Firm is engaged in the defense and prosecution of commercial/civil litigation and transactional matters. Martindale-Hubbell has bestowed its highest rating, "AV," upon Ms. Yokoyama for over 30 years. Currently, the substantial majority of our practice remains in litigation and transactional matters with an emphasis on Employment, Products Liability, Torts and Contracts. The transactional matters handled by the Firm include establishing and incorporating business entities, partnership agreements, commercial leases and operating agreements. We have also represented clients in matters involving intellectual property and professional service contracts.

In addition to her J.D., Ms. Yokoyama received her MBA from Kellogg School of Management/Northwestern University, so she fully understands the business environment, meeting budgets and deadlines. As a Professor of Law teaching Advance Trial Advocacy, Ms. Yokoyama is fully abreast of the ever-changing approaches to jury selection and high tech trials.

Each matter assigned to the Firm is supervised by a Partner. The Partner will be the lead on all transactional matters and prepare all analysis and assessments relative to liability. The Associate formally assigned to the file will provide support, i.e., assist in the preparation of responsive pleadings, written and oral discovery, interview and attend depositions; appear in court for status calls and conduct binding arbitrations. Our intimate size allows each member of the Firm to have a working knowledge of every active file in the office, thus ensuring that each of our clients receive concise and timely status reports and responses to their inquiries.
