## ABOUT THE INTERNATIONAL LAW PAC

The International Law PAC members concentrate on cross-border matters of all types, including regulatory, litigation, and transactions. The PAC provides a forum for its members to communicate and exchange ideas regarding the interpretation and development of law and policy pertaining to international litigation, arbitration, and other forms of alternative dispute resolution (ADR), as well as cross-border transactions involving international sale or provision of goods and services, investments, and financing. In addition, the PAC serves as a platform for its members to cultivate best practices, to address current international issues, and to build intra-PAC relationships. The International Law PAC complements the other NAMWOLF PACs by bringing specialized international legal knowledge to law firms and corporations who increasingly face global legal issues.

## International Counsel & Experience You Can Trust

Culhane Meadows is the largest national full-service women-owned law firm in the country and our lawyers were all trained at AmLaw 200® law firms, global corporations and/or senior levels of government. Our cloud-based practice model eliminates costly office space and we use technology to keep our overhead – and fees to clients – well below those charged by comparable firms. We deliver a unique combination of advantages to our global clients including:

- **More than 60 attorneys in 10 major business markets (and licensed in 17 different U.S. jurisdictions).** Our partner-only roster is comprised exclusively of former Big Law attorneys (and no junior lawyers who train on the client's dime).
- **Over a third of our partners have spent significant portions of their careers handling international matters and we offer attorneys fluent in French, German, Norwegian, Russian, Spanish and Ukrainian.** We have handled matters for clients on every continent except Antarctica.
- **We've provided international legal services for clients, including Fortune® 100 companies and international organizations** in banking, hospitality, fashion and luxury goods, finance, financial services, franchising, advertising, insurance, travel, technology, securities, e-commerce, real estate, telecom, family businesses, education, entertainment and sports, among others.
- **Our lawyers are active in multiple international legal organizations** including the International Bar Association; International Technology Law Association; American Bar Association Section of International Law; International Business Structuring Association; State Bar of Texas International Law Section; International Association of Privacy Professionals; and U.S.-Ukraine Business Council.
- **We offer business-savvy solutions that only seasoned professionals can provide.** This allows us to act as facilitators, not "roadblocks" to your business objectives.
- **Our competitive fees are unmatched by similarly-experienced partners at traditional law firms.** We offer flexible and predictable rate plans that align our business incentives with yours, including alternative fee arrangements (when appropriate) for many of our services.
- **Our lawyers place a premium on relationships.** We partner with you by getting to know your business and people, so that we can act seamlessly as an extension of your organization.

## Practice Highlights

**Intellectual Property:** While LHDK&W's nationally ranked patent prosecution practice anchors its intellectual property practice and prosecutes hundreds of patents every year, LHDK&W attorneys also are experienced in trademark registration, patent and trademark litigation (including IPR and adversary proceedings before the TTAB), technology licensing, product clearance and due diligence review.

**Automotive Regulatory and Litigation:** LHDK&W attorneys represent OEM manufacturers in regulatory matters before the National Highway Traffic Safety Administration, as well as serving as lead and national counsel for OEM manufacturers, suppliers and equipment manufacturers in catastrophic and wrongful death product liability, and warranty/defect related class action litigations. LHDK&W serves as an OEM manufacturer's product liability national discovery coordination counsel, including coordination of domestic and international aspects of discovery and preparation of corporate witnesses for depositions.

**International Arbitration and Litigation:** LHDK&W attorneys in its Seoul, California and London offices represent clients before international arbitration tribunals, such as LMAA, ICC, SIAC and tribunals constituted under UNCITRAL rules, in claims often involving tens or hundreds of millions of dollars. LHDK&W also represents or coordinates client efforts in domestic and foreign litigation, including cross-border insolvency litigation and enforcement of arbitral awards.

**Banking and Financial Services:** Since its founding, LHDK&W has provided sophisticated litigation and transaction services to banks, financial services companies, and government agencies. We regularly advise financial institutions regarding real estate and lending transactions, creditor-side bankruptcy matters, loan workouts, and foreclosure-related litigation. LHDK&W also represents financial institutions and other businesses in complex commercial litigations, including shareholder disputes, commercial fraud, fraudulent transfers and enforcement of foreign judgments.

**Corporate/Transactions/Business:** Prior to joining the firm, many of LHDK&W's business attorneys were general counsel or senior in-house attorneys. With that real world experience, LHDK&W provides regular counsel to innovators, technology companies, investors and corporate business units in joint ventures, acquisitions, business operations (e.g., vendor, supply, service, advertising, and sponsorship agreements). Through a California certified specialist in franchise and distribution law, LHDK&W provides expert counsel to franchisors, including registration in all franchise registration jurisdictions.

Some firms promise wins. Others tout pedigree, or tell you how big they are. We solve business problems. That's why we get hired to take on the tough cases.

### Quality Ideas. Relentless Execution.

From our Miami and New York offices, we focus on resolving complex, high-value international business disputes. The firm routinely represents clients in federal and state courts in the U.S. in litigation arising out of transnational business operations. As a result, we are experienced with the legal doctrines and practical considerations that repeatedly arise in international disputes.

We are battle-tested in cross-border arbitration, from a Spanish-language arbitration under Ecuadorian law in Mexico City to an English-language arbitration in New York under Mexican law for a Dutch client. Our multilingual and multicultural lawyers are adept at crossing language, legal, and cultural borders and are uniquely equipped to assist you in resolving your international disputes through arbitration.

Rivero Mestre has represented clients in disputes administered by the International Chamber of Commerce, the American Arbitration Association (including its International Center for Dispute Resolution), JAMS, FINRA, NYSE, the Stockholm Chamber of Commerce, and the Caracas Chamber of Commerce, as well as in "ad hoc" arbitrations. Reflecting the excellent reputation the firm enjoys, from time to time our lawyers are nominated to serve as arbitrators by experienced litigators at other major firms.
