About NAMWOLF

Founded in 2001, NAMWOLF is a nonprofit trade association comprised of minority and women owned law firms who have exhibited excellence in the legal profession throughout the United States. Many corporations and public entities committed to diversifying their outside law firm ranks have focused on the utilization of minority and women attorneys at majority firms. However, the most effective way for corporations and public entities to increase diversity in the legal profession is to increase their utilization of minority and women owned law firms. NAMWOLF’s mission is to promote true diversity in the legal profession by fostering the development of long-lasting relationships between preeminent minority and women owned law firms and corporations and public entities.

About NAMWOLF law firm membership

NAMWOLF Law Firm Members must complete an extensive application and screening process before they can be admitted for membership. Law firm candidates must have a significant corporate law practice and exhibit excellence in the quality of law practiced, as evidenced by corporate references, presence on outside counsel-approved lists and panels for national or regional corporations, Martindale-Hubbell AV Peer Review Rating, and other awards and memberships. Law firms must be headquartered in the United States or Puerto Rico and have a minimum of three full-time attorneys.
