NAMWOLF

INSURANCE
PRACTICE AREA COMMITTEE
About the Insurance Practice Area Group

NAMWOLF’s Insurance Practice Area Committee’s (“I-PAC”) mission is to introduce insurance clients to a national network of preeminent women and minority owned law firms comprised of highly skilled attorneys who are interested in their clients’ issues, with the goal of fostering synergistic relationships. Member firms have significant expertise representing insurance companies relating to insurance products and personal and commercial insurance lines of business. Member firms also have experience with insurer recovery actions, and matters involving life, health, annuities and disability products and ERISA plans. Many Member attorneys came from the largest and most well-known firms and in-house legal departments in the country, and have significant experience representing Fortune 500 corporations. Through the I-PAC, NAMWOLF law firms and insurers will partner to identify potential problems, develop cost-effective solutions and explore the potential for an early resolution. If a settlement is not achievable, the Member firms have the depth of experience to try cases and handle appeals.

This booklet contains profiles of NAMWOLF firms that have significant experience working with insurance companies on a variety of matters. The firms are divided alphabetically, by practice area and by state.

About NAMWOLF

Founded in 2001, NAMWOLF is a nonprofit trade association comprised of minority and women-owned law firms who have exhibited excellence in the legal profession, and other interested parties throughout the United States. Many corporations and public entities committed to diversifying their outside law firm ranks have focused on the utilization of minority and female attorneys at majority firms. However, the most effective way for corporations and public entities to increase diversity in the legal profession is to increase their utilization of minority and women-owned law firms. NAMWOLF’s mission is to promote true diversity in the legal profession by fostering the development of long lasting relationships between preeminent minority and women-owned law firms and corporations and public entities.

About NAMWOLF’s Law Firm Membership

NAMWOLF Law Firm Members must complete an extensive application and screening process before they can be admitted for membership. Law Firm Candidates must exhibit excellence in the quality of law practiced, as evidenced by corporate references, presence on outside counsel approved lists and panels for national or regional corporations, Martindale-Hubbell AV Peer Review Rating, and other awards and memberships. Law firms must be headquartered in the United States or Puerto Rico and have a minimum of three full-time attorneys. NAMWOLF’s mission is to promote true diversity in the legal profession by fostering the development of long lasting relationships between preeminent minority and women-owned law firms and corporations and public entities.
