**NAMWOLF Labor & Employment PAC**
The Labor and Employment PAC is a national network of highly skilled and pre-screened minority and women owned law firms with significant expertise representing employers in labor and employment matters. Member firms have experience in a host of practice areas that fall under the labor and employment umbrella including (for example), litigation of discrimination, retaliation, harassment, ERISA and wage and hour claims; defense of class actions; trade secret litigation; affirmative action, OFCCP, Sarbanes-Oxley; OSHA compliance; Union negotiations and Arbitrations; training, counseling, handbooks and conducting internal investigations. Through the Pac, NAMWOLF brings together law firms and major employers to create mutually beneficial partnerships, develop cost effective workplace solutions, provide effective legal defense and achieve winning results.

**About NAMWOLF**
Founded in 2001, NAMWOLF is a nonprofit trade association comprised of minority and women-owned law firms who have exhibited excellence in the legal profession, and other interested parties throughout the United States. Many corporations and public entities committed to diversifying their outside law firm ranks have focused on the utilization of minority and female attorneys at majority firms. However, the most effective way for corporations and public entities to increase diversity in the legal profession is to increase their utilization of minority and women-owned law firms. NAMWOLF’s mission is to promote true diversity in the legal profession by fostering the development of long lasting relationships between preeminent minority and women-owned law firms and corporations and public entities.

**About NAMWOLF’s Law Firm Membership**
NAMWOLF Law Firm Members must complete an extensive application and screening process before they can be admitted for membership. Law Firm Candidates must have a significant corporate law practice and exhibit excellence in the quality of law practiced, as evidenced by corporate references, presence on outside counsel approved lists and panels for national or regional corporations, Martindale-Hubbell AV Peer Review Rating, and other awards and memberships. Law firms must be headquartered in the United States or Puerto Rico and have a minimum of three full-time attorneys.

At Kuchler Polk Weiner, experience, integrity and an unrelenting desire to achieve success for our clients are our guiding principles.

**KUCHLER POLK WEINER ON DIVERSITY**

Kuchler Polk Weiner is a certified Women's Business Enterprise ("WBE"). Our three founding partners are women, one of whom is also a minority.

To us, diversity is about our client often being the only party in the courtroom with female or minority lawyers who actually have a speaking role and are in command of the litigation. We feel diversity is about having corporate clients who truly trust us with their complex litigation and not simply the “small stuff.” Diversity is about having jurors anxious to see us in action to determine if we can “hold our own” against the more traditional gray-suited lawyers and finding that we do more than just hold our own. Diversity is about being able to relate to that working mom on the jury because we are working parents, ourselves. Diversity is about speaking the language of the everyday person who just happens to be sitting on the bench or in the jury box because we are everyday people. Diversity is who we are – not something we do. Because of who we are, our female trial lawyers are in high demand with our Fortune 500 clients and we’re achieving great trial results for them.

SANCHEZ & AMADOR, LLP
California Employment Defense Team

Who We Are
A diverse team of employment lawyers representing major national employers in courts and agency proceedings throughout California. For full biographies, please visit our website at www.sanchez-amador.com.

Who We Represent
Wells Fargo Bank, McDonald’s, United Parcel Service, JPMorgan Chase, Kaiser Permanente, U.S. Bank, Nationwide Insurance, Tyson Foods, California Community Foundation, 8x8, Williams-Sonoma, Blue Apron, and similar organizations.

We have strong, collaborative relationships with our clients. Please allow us to put you in touch with in-house counsel references who know our work and see, first hand, the confidence their own business clients have in our responsiveness, results, creativity and cost-effectiveness.

How We Work
We typically assign a two-lawyer team on single-plaintiff cases. We invest significant non-billable time training and coaching our associates, so they advance at a rapid rate and are able to cost-effectively manage litigation. All written work product gets an extra review without charge to our clients, to ensure our quality standards are met.

We focus relentlessly on client service, striving to make our clients’ jobs easier with clear and succinct communications, rapid response, and early submission of key documents for client review. We’re constantly looking to improve our skills with focused training on deposition, cross-examination, writing, ethics and other critical skills—on our dime, of course.

Results
We win. A lot. We leverage devastating plaintiff depositions into dismissals. Clients are often surprised at the low-dollar settlements we achieve (as in $0 or $500) in California employment lawsuits. We obtain dismissals on motions. And when we go to trial or arbitration, we win there too.

We achieve these great results because we focus only on what needs to be done to get results for our clients, as defined by our clients. If discovery fights won’t help us win, we avoid them. Being nasty with opposing counsel never helps, so we avoid that too. We really think about tactics and strategy and never take a cookie-cutter approach.

OVERVIEW
Wright, Finlay & Zak, LLP (“WFZ”) is a full-service litigation, transactional and insurance defense law firm with offices in California, Nevada, Arizona, Washington, Oregon and Utah. We also have attorneys who are licensed in New Mexico, Texas, South Dakota and Hawaii, allowing WFZ to assist you with your legal needs throughout the Western United States. WFZ provides its legal services at reasonable hourly rates, with particular attention to the overall cost of any matter. Our goal is to provide quality representation and excellent service at a reasonable cost to our clients.

LOAN SERVICING AND DEFAULT LITIGATION
WFZ’s core practice area includes representing national, regional and small loan servicers, investors and originators in all aspects of mortgage banking and consumer finance litigation. Representation ranges from defending creditors in individual borrower cases to class and “mass” actions involving payment misapplication, loan modification, wrongful foreclosure, predatory lending, bankruptcy, title, rent control, force-placed insurance, unfair business practices and other mortgage-related issues impacting our clients. Our attorneys have experience in defending cases involving most Federal and State statutes, including the California and Nevada Homeowner Bill of Rights, Washington’s Foreclosure Fairness Act, and state and federal successor in interest laws. WFZ’s Compliance, Licensing and Regulatory Division is actively involved in the state lobbying process and has direct access to lobbyists in many of the states we cover on the West Coast. WFZ is able to track pending laws, oppose unwanted laws and revise bills that are likely to pass, which helps our clients track potential mortgage losses caused by originator, broker or appraiser fraud and negligence. WFZ can also assist with affirmative actions for judicial foreclosure, deficiency judgments, title curative and receiverships.

If you have any questions about this area of practice, please contact Robert Finlay, Robin Wright or Cathy Robinson.

SERVICING COMPLIANCE
WFZ provides mortgage servicing clients with all aspects of regulatory compliance advice. WFZ’s attorneys have assisted its clients with compliance with the CFPB Rules, National Mortgage Settlement and various federal statutes, including FDCPA, RESPA, TILA and TCPA. We have designed programs for many of our clients to ensure compliance with California and Nevada’s Homeowner Bill of Rights, Washington’s Foreclosure Fairness Act, and state and federal successor in interest laws. WFZ’s Compliance, Licensing and Regulatory Division is actively involved in the state lobbying process and has direct access to lobbyists in many of the states we cover on the West Coast. WFZ is able to track pending laws, oppose unwanted laws and revise bills that are likely to pass, which helps our clients track potential new legislation and implement new procedures to ensure compliance when the new laws go into effect. WFZ also assists clients in responding to regulatory complaints and investigations relating to loan servicing.

If you have any questions about our servicing compliance practice, please contact Michelle Mierzwa or Leslie Baird at lbaird@wrightlegal.net.

LABOR & EMPLOYMENT

ORIGINATION COMPLIANCE AND LICENSING
WFZ’s Origination Compliance and Licensing Division assists loan originators, mortgage brokers and private money lenders with nearly all aspects of their business. WFZ’s attorneys have assisted its clients with compliance with state and federal statutes, including, but not limited to, TILA, RESPA, FCRA, HMDA, SAFE Act, ECOA, the FHAct, UDAAP, the Loan Originator Compensation Rule, and various privacy laws.
