About the PAC

Companies in the Restaurant, Retail, and Hospitality industries have long recognized the value of diversity and inclusion in all aspects of their businesses because their stakeholders—customers, suppliers, investors, and regulators—expect nothing less. The Restaurant, Retail, and Hospitality Practice Area Committee (“RRH PAC”) of NAMWOLF offers clients in these industries a one-stop shop for identifying top lawyers practicing in this arena.

Members of the RRH PAC specialize in representing clients with a particular focus on the issues unique to these industries. Our firms have extensive experience representing clients in a wide array of matters including:

- » Health and safety issues at RRH facilities, including advising on risk management and defending against personal injury and property claims;
- » Real estate transactions and litigation involving leasing, zoning, local compliance and eminent domain;
- » Premises liability, product liability, professional malpractice, and defamation;
- » Food and beverage issues including licensing, food safety, product manufacturing, and distribution;
- » Labor and employment issues including workers’ compensation, wage and hour, immigration, discrimination, employee benefits and workplace safety;
- » Intellectual property issues including copyright and trademark protection and infringement matters;
- » New media and technology matters including licensing, fair trade regulation, and web-based transactions; and
- » Commercial and customer litigation including pursuing and defending claims against suppliers, defending fair credit and other consumer actions.
