ABOUT NAMWOLF

Founded in 2001, NAMWOLF is a 501 C (6) non-profit trade association serving corporate and public entities interested in diversifying their outside law firm portfolios. Available data strongly suggest that the most effective way for corporations to proliferate diversity in the legal profession is to retain minority and women owned law firms. For more than a decade, NAMWOLF has been successfully providing corporations and public entities with unique access to an exclusive group of carefully vetted minority and women owned law firms. In turn, NAMWOLF Law Firms provide their clients with superior work product, long lasting relationships and valuable strategic alliances.

OUR MISSION

Promote diversity in the legal profession by fostering successful relationships among preeminent minority and women owned law firms and private/public entities.

OUR VISION

Achieve equity in legal opportunity through minority and women owned law firms.

OUR GOALS

- To highlight a select group of minority and women owned law firms who have exhibited excellence in the legal profession.
- To advocate for the retention of minority and women owned law firms by businesses and other entities.
- To build strategic alliances, coalitions and affiliations among member firms.
- To ensure the long term survival of minority and women owned law firms.

- To support the continued growth and success of minority and women owned law firms.
- To encourage women and minorities to pursue careers in the legal profession and to foster the formation of minority and women owned law firms.
- To develop the professional excellence of minority and women owned law firms through training and education.

CRITERIA FOR ADMISSION

- Certified as a minority, women or LGBT owned, operated, managed and controlled (51% or more) firm.
 Must be certified by the National Minority Supplier Development Council (NMSDC), the Women's Business Enterprise National Council (WBENC), or The National Gay and Lesbian Chamber of Commerce (NGLCC).
- Favorable client references from national and regional corporations or major public entities, including corporate references within the Fortune 500
- Excellence in quality of law practiced, as evidenced by corporate references, presence on outside counsel approved lists and panels for national or regional corporations, and other awards and memberships
- Martindale-Hubbell AV Peer Review Rating (4.5 - 5.0)
- Three or more full-time attorneys in the firm
- Headquartered in the U.S. or Puerto Rico
- Sufficient practice liability insurance (at least \$2 million)

The NAMWOLF team performs independent research on each prospective firm. After the firm's application is complete, the Admissions Committee, comprised of in-house counsel and NAMWOLF law firm members, reviews the collected materials and makes a recommendation for or against membership to the Board of Directors, with whom the final decision rests. Our goal is to have a blend of minority, women and LGBT owned law firms, dispersed geographically across the United States, representing a variety of corporate law expertise.

Our firm helps employers in every aspect of human resource law. We counsel our clients on a day-to-day basis to find creative employment solutions that avoid claims. The lawyers at CHEN MALIN LLP practice at the intersection of complex transactions and litigation. We eschew playbooks when solving problems, and our approach impacts results. Defying convention in the IT industry, we secured major concessions from vendors that later formed the basis for multiple 8-figure recoveries for our client. In bet-the-company litigation, we have multiple trial and pre-trial victories against teams from AmLaw 100 and well-known plaintiff's firms. In each instance, our clients were successful when observers expected adverse results. Our clients include multiple Fortune 100 and Global Fortune 500 companies, and they entrust us with contracts that impact 11-figures in annual operating revenues and litigations when the stakes matter.

Counter-parties have sought our advice after negotiations have concluded. We have won cases using theories that the same courts have rejected—when those theories were advanced by others. We are one of a handful of teams in the country that have successfully litigated a F/RAND (patent) case to verdict. And our examinations of opposing witnesses have repeatedly had case-dispositive effect.

What our clients say

- One of the most effective and efficient counsel I have ever worked with
- " Great understanding of business operation(s)
- Coalesces ... technical knowledge ... legal acumen ... and negotiation skills to provide ... exceptional legal advice in a 'user-friendly' manner
- A strong trial lawyer ... admired for his ability to assimilate and simplify complex technological details in IP disputes of all kinds
- His extensive expertise and abilities as a litigator, negotiator and advocate are obvious

ABOUT THE FIRM: Homer Bonner Jacobs Ortiz is a boutique litigation and transactional firm founded in Miami in 1986. For over three decades, the firm has thrived because of the results we achieve with and for our clients. Those results are themselves the result of the firm's unwavering commitment to its core principles. We hire and develop exceptional talent and then apply that talent as efficiently as possible, keeping our client's perspective foremost in our thoughts.

Homer Bonner Jacobs Ortiz has always been a difference-maker because it hires the right lawyers and trains them in the right way. Indeed, part of the firm's proud history is that it has been a place at which many great lawyers first learned to be great lawyers. The firm's alumni have gone on to start their own successful firms, manage offices of national firms, and become federal law clerks, assistant U.S. Attorneys, judges, and successful business owners. We believe we have contributed positively to the quality of the legal profession in our community for nearly thirty years by instilling good fundamentals in young lawyers and teaching them by example to practice the right way.

Proud as the firm is of its history and its contributions to the legal and business communities, we are not hidebound. On the contrary, we pride ourselves on being inventive about what we do and in having the willingness to experiment with the way in which we provide legal services in order to maximize efficiencies and better align our interests with our clients' interests. In the long run, we succeed only if our clients are rewarded with both success and value.

KPPB LAW is certified as a Minority Business Enterprise by the National Minority Supplier Development Council (NMSDC)

We are the real deal. We are trial lawyers and not simply litigators. Kuchler Polk Weiner, LLC (KPW) is a boutique, civil litigation, minority and womenowned law firm. KPW is a certified Woman Business Enterprise (WBE) and is a member of the National Association of Minority and Women Owned Law Firms (NAMWOLF). We have thirty (30) lawyers, many of whom bear an AV Preeminent rating. Our main office is in New Orleans, Louisiana. We also have a Houston, Texas office, in which seven (7) of our lawyers work. Because we are recognized as one of New Orleans' Top Workplaces, we attract the best and the brightest. We pride ourselves on having trial-ready female lead counsel able to handle any civil litigation matter. Our lawyers are admitted in Louisiana, Texas, Mississippi, and Arkansas and have practiced pro hac vice across the country.

OUR DIFFERENCE

- We are storytellers who make complicated cases simple.
- We shed the lawyer persona in favor of an authentic, relatable approach.
- Where sympathies run high, we are tough on the facts but soft on the witness.
- We do jury research with children to ensure our language is simple and our trial themes understandable.
- We regularly win for companies that jurors may not initially favor, i.e. Big Oil, Big Chemical, Big Tobacco...

OUR CORE PRACTICE AREAS

- Trials
- Commercial litigation
- Environmental claims and litigation
- Product and premises toxic and environmental exposure cases including community exposures, worker and contractor claims and individual cases involving asbestos, benzene, chloroprene, NORM and other toxic and industrial exposures
- Product liability cases
- Employment cases including defending race and gender discrimination cases, ADA claims, hostile work environment, and EEOC proceedings
- Maritime and Jones Act cases including offshore personal injury claims, indemnity analyses under Master Service Contracts and Limitation of Liability matters

OUR CLIENTS

- Altria
- Anadarko Petroleum
- Chemours
- Chevron
- ConocoPhillips
- Daimler Trucks North America
- Deere
- DuPont
- ExxonMobil
- Ford Motor
- Phillips 66
- Shell Oil
- TransCanada ... and others.

We are often tapped to parachute into a trial-threat case in the month or two before trial to represent the client in cases across the country. Our clients value our ability to work collegially and as a virtual law firm with the clients' established counsel in other jurisdictions to bring diversity and a depth of trial experience to their teams.

We work under alternative fee arrangements (AFA) or by the hour. Either way, our lawyers are mindful of providing value for the time spent to advance the case toward the client's goals. We don't turn over every stone. We use trial lawyer savvy to turn over the right stones. Our rates are competitive because we started the firm with the philosophy of clients first, employees second, and money third. The natural consequence of this philosophy is a profitable firm.

LINCOLNDERR

Civil Litigation Law Firm

Headquartered in Charlotte, North Carolina.

ABOUT US

It began back in 2009, when Sara Lincoln and Tricia Derr — both seasoned and accomplished trial attorneys — came together to create a new kind of law firm. They saw a need in the industry and a demand among clients for an alternative to the big, institutional law firms — one that offered diversity, trial experience and value.

That was the foundation for Lincoln Derr, and it continues to guide our firm now, as we continue to grow and win for our clients.

OUR ADVANTAGE

As a firm, our strength lies in our experience. We are trial attorneys. It's in our blood, and it means we fight hard for our clients, no matter what — even if a case never sees the inside of a courtroom. That's the Lincoln Derr Advantage.

Our attorneys represent some of the largest healthcare providers, municipalities, and Fortune 500 companies throughout the Southeast. We've logged more than 10,000 hours in the courtroom and 100-plus years of combined practice experience.

ABOUT OUR FIRM. Our law firm is a Hispanic owned litigation defense firm dedicated to representing clients throughout Texas. Our clients range from individuals to large international corporations. We offer personal attention and work experience in most facets of defense work. We represent clients in all Texas state, federal and appellate courts as well as arbitration. Our specialty is the ability to provide the personal attention of a small practice with the knowledge, resources, and expertise of a large firm.

AREAS OF PRACTICE— We represent clients in broad spectrum of the law. We handle cases including insurance defense and coverage, premises liability, section 1983 civil rights, real estate & construction litigation, labor and employment law, non-subscriber ERISA claims, appellate, professional liability, personal injury (from slip & fall to death), and commercial/private vehicular accidents. If you do not see the area of law for which you need attorney, please contact us and we will discuss the type of matter you have and let you know if we are able to assist you. We have received favorable jury verdicts in state and federal trial courts, appeals and arbitration and have successfully defended clients in a variety of Texas counties which are typically considered "plaintiff-friendly" venues.

PHILOSOPHY- Our number one philosophy is put the clients first and obtain results in a cost-effective manner. The legal team at Paul Garcia & Associates believes that low-cost efficient legal services that provide proven results will benefit the client. Often times, firms tend to over bill or sit on a case so that legal fees can be grow while you wait for a result. Our practice is to resolve a case as quickly as possible while ensuring the client's interest is always protected. The attorneys at Paul Garcia & Associates will often project the estimated costs of legal fees versus the benefit of early settlement, so that clients will see and understand the effectiveness of early disposition of cases.

Litigation • IP • Media • Data

Thomas & LoCicero – TLo – is a boutique, Florida-based litigation and IP firm and a proud member of NAMWOLF. We successfully litigate complex commercial and constitutional disputes on behalf of a wide range of industry-leading clients, including media companies, retailers, manufacturers, colleges and universities, law firms, and the insureds of several major U.S. carriers. The sophistication of our practice stems, in part, from the fact that half of our attorneys were federal law clerks. TLo focuses on the following practices:

Litigation • In complex commercial disputes, we employ aggressive litigation strategies and sophisticated analysis to protect our clients' rights. We defend clients against claims sounding in antitrust/unfair trade practices, breach of contract, fraud, malicious prosecution, business torts and tortious interference, and violations of the TCPA, among others. We also help clients contest classaction claims.

IP • Because intellectual property is critical to nearly every business, industry leaders look to TLo to protect, register, license, and manage their trademarks and copyrights. As litigators, we regularly prosecute and defend trademark, false advertising, domain name, and copyright cases. The attorneys most involved in our IP practice – Carol LoCicero, James Lake, and James McGuire – are all listed in *Best Lawyers in America*.

Media • TLo is the leading defamation defense firm in the southeastern United States. We've protected free speech and free press rights – and set important precedent – in countless defamation and privacy cases on behalf of major media entities and other corporations, as well as employers, authors, artists, websites, and individual speakers.

Data • Through our data privacy & security practice, we defend claims stemming from the diverse body of federal, state, and international laws relating to innovations in cloud computing, BYOD, and location-based and behavioral marketing. We also counsel and defend clients against claims relating to data collection and handling practices, including aggregation, combination, deidentification, and other emerging technologies.

Secured an emergency preliminary injunction entered in favor of our client, a global chemical company, when an employee left the company with confidential proprietary information and went to work for a competitor.

Represented a major Philadelphia employer in an employment discrimination case brought by nine Plaintiffs. Eight of the plaintiffs' cases were dismissed by motions and the remaining plaintiff settled for what amounted to a few weeks of salary.

Obtained non-suit in a case involving the death of a 14-year-old with a documented heart condition (hypotropic cardiomyopathy), who died while participating in a physical education course. Notably, TLG was retained only one month before trial and prior defense counsel had taken no depositions and had received an order precluding the client from offering any expert testimony at trial. TLG also successfully handled the appeal to the Superior Court, where the grant of non-suit was affirmed.

WHY CHOOSE TLG?

- Our proven track record: TLG has tried over 100 cases to verdict.
- The strategic advantage of diverse client representation: From multi-national *Fortune* 100 corporations and some of the nation's most renowned colleges and universities to individual litigants, we know litigation from all angles.
- Our results-driven approach and cost-effective litigation techniques: We thoroughly vet each case and we staff our cases to maximum both efficiency and outcome.

Notable Results

- We represented the employees of an electric vehicle start-up facing allegations of misappropriation of trade secrets, violation of non-solicitation and confidentiality obligations, and breach of fiduciary duties, reaching a favorable settlement.
- On behalf of Motorola Solutions, we obtained a total defense victory and secured dismissal with prejudice of a bid-rigging and unfair competition lawsuit.
- We secured a motion to dismiss at the pleading stage by prevailing on an immunity defense under Section 230 of the Communications Decency Act for a leading social media app company in a high-stakes product liability matter.
- On behalf of Lumens Co., Ltd., we obtained a \$1 million victory and a total defense victory to \$16 million in counterclaims—and then prevailed on those claims on appeal.
- We defended the nation's largest gas utility in a fiveweek major personal injury trial. Although the client already stipulated to liability, we staved off punitive damages and the jury awarded less than half of the plaintiff's demand.

OVERVIEW

Wright, Finlay & Zak, LLP ("WFZ") is a full-service litigation, transactional and insurance defense law firm with offices in California, Nevada, Arizona, Washington, Oregon and Utah. We also have attorneys who are licensed in New Mexico, Texas, South Dakota, Montana, and Hawaii, allowing WFZ to assist you with your legal needs throughout the Western United States. WFZ provides its legal services at reasonable hourly rates, with particular attention to the overall cost of any matter. Our goal is to provide quality representation and excellent service at a reasonable cost.

LOAN SERVICING AND DEFAULT LITIGATION

WFZ's core practice area includes representing national, regional and small loan servicers, investors and originators in all aspects of mortgage banking and consumer finance litigation. Representation ranges from defending creditors in individual borrower cases to class and "mass" actions involving payment misapplication, loan modification, wrongful foreclosure, predatory lending, bankruptcy, title, rent control, force-placed insurance, unfair business practices and other mortgage-related issues impacting our clients. Our attorneys have experience in defending cases involving most Federal and State statutes, including the California and Nevada HOBR, TILA, RESPA, FCRA, FDCPA, California's Rosenthal Act, TCPA, SCRA, RICO, HAMP and HAFA. We successfully resolve most cases via settlement that results in a performing asset or liquidation. WFZ also assists its clients in mortgage fraud recovery, helping our clients recover mortgage losses caused by originator, broker or appraiser fraud and negligence. WFZ can also assist with affirmative actions for judicial foreclosure, deficiency judgments, title curative and receiverships.

If you have any questions pertaining to this area of practice, please contact Robert Finlay or Robin Wright.

SERVICING COMPLIANCE

WFZ provides mortgage servicing clients with all aspects of regulatory compliance advice. WFZ's attorneys have assisted its clients with compliance with the CFPB Rules, National Mortgage Settlement and various federal statutes, including FDCPA RESPA, TILA and TCPA. We have designed programs for many of our clients to ensure compliance with California and Nevada's Homeowner Bill of Rights, Washington's Foreclosure Fairness Act, and state and federal successor in interest laws. WFZ's Compliance, Licensing and Regulatory Division is actively involved in the state lobbying process and has direct access to lobbyists in many of the states we cover on the West Coast. WFZ is able to track pending laws, oppose unwanted laws and revise bills that are likely to pass, which helps our clients track potential new legislation and implement new procedures to ensure compliance when the new laws go into effect. WFZ also assists clients in responding to regulatory complaints and investigations relating to loan servicing.

If you have any questions about our servicing compliance practice, please contact Michelle Mierzwa or Leslie Baird.

ORIGINATION COMPLIANCE AND LICENSING

WFZ's Origination Compliance and Licensing Division assists loan originators, mortgage brokers and private money lenders with nearly all aspects of their business. WFZ's attorneys have assisted its clients with compliance with state and federal statutes, including, but not limited to, TILA, RESPA, FCRA, HMDA, SAFE Act, ECOA, the FHAct, UDAAP, the Loan Originator Compensation Rule, and various privacy laws. The Division has experience with all aspects of licensing, including new company licensing, reorganizations, restructurings, renewal activity, and daily NMLS compliance challenges. Additionally, WFZ is well versed with the NMLS Mortgage Call Report and other reporting requirements. WFZ is also able to assist clients with the management of regulatory examinations.

If you have any questions about our origination compliance and licensing practice, please contact Leslie Baird.

MORTGAGE LITIGATION MANAGEMENT

WFZ provides several of its clients with short and long term litigation management solutions. Our litigation management responsibilities include litigation intake and file review, case strategy, hiring and overseeing local counsel, reviewing invoices, monthly reporting, ensuring consistency among local counsel and ensuring that both the asset and litigation are moving forward in the direction consistent with the client's goals. WFZ will provide onsite or remote assistance to meet the client's need, whether short or long term. For more significant needs, WFZ can act as General Counsel for a small or medium size client who needs dedicated counsel to handle its day-to-day legal needs.

For questions about our mortgage litigation management practice, please contact **Robert Finlay** or **Gwen Ribar**.

FIRM PROFILE

Created in 2000, Lori S. C. Yokoyama & Associates, P.C., is a wholly owned female Asian American law firm with its principal office located in Chicago, Illinois and an affiliate office in Houston, Texas. The Firm's attorneys have a combined litigation history of over 70 years. As our Firm has represented Fortune 500 companies and professional individuals in over 40 jury trials, and hundreds of mediations, arbitrations and pre-trials, we have proven ourselves as a highly qualified Litigation and Consulting firm. The Firm and its Founder, Lori Yokoyama have been the recipients of numerous awards and honors.

The Firm is engaged in the defense and prosecution of commercial/civil litigation and transactional matters. Martindale-Hubbell has bestowed its highest rating, "AV," upon Ms. Yokoyama for over 25 years. Currently, the substantial majority of our practice remains in litigation and transactional matters with an emphasis on Employment, Professional Malpractice, Torts and Contracts. The transactional matters handled by the Firm include creating and incorporating business entities, partnership agreements, commercial leases and operating agreements. We have also represented clients in matters involving intellectual property and professional service contracts.

In addition to her J.D., Ms. Yokoyama received her MBA from Kellogg School of Management/Northwestern University, so she fully understands the business environment, meeting budgets and deadlines. As a Professor of Law teaching Advance Trial Advocacy, Ms. Yokoyama is fully abreast of the ever-changing approaches to jury selection and high tech trials.

Each matter assigned to the Firm is supervised by a Partner. The Partner will be the lead on all transactional matters and prepare all analysis and assessments relative to liability. The Associate formally assigned to the file will provide support, i.e., assist in the preparation of responsive pleadings, written and oral discovery, interview and attend depositions; appear in court for status calls and conduct binding arbitrations. Our intimate size allows each member of the Firm to have a working knowledge of every active file in the office, thus ensuring that each of our clients receive concise and timely status reports and responses to their inquiries.
