The NAMWOLF Labor & Employment Practice Area Committee

ABOUT THE L&E PAC

The Labor and Employment PAC is a national network of highly skilled and pre-screened minority and women owned law firms with significant expertise representing employers in all facets of labor and employment matters. This expertise includes and is not limited to litigation of discrimination, harassment, and retaliation claims; wage and hour claims; ERISA and benefits claims, and FMLA and other leave of absence claims; defense of collective and class actions; trade secret litigation; affirmative action and OFCCP; Sarbanes-Oxley; OSHA compliance; union negotiations and arbitrations; training, counseling, handbooks, and other human resources assistance; and conducting internal investigations. Through the PAC, NAMWOLF brings together law firms and major employers to create mutually beneficial partnerships, develop cost effective workplace solutions, provide effective legal defense, and achieve winning results.

ABOUT NAMWOLF

The National Association of Minority & Women Owned Law Firms (NAMWOLF), founded in 2001, is a 501(c)(6) nonprofit trade association comprised of minority and women owned law firms and other interested parties throughout the United States. Many corporations and public entities interested in diversifying their outside law firm ranks focus almost exclusively on the utilization of minority and female attorneys at majority firms. Yet the available data strongly suggests that these efforts have not resulted in greater diversity in the legal profession. It is NAMWOLF's view that the most effective way for corporations to increase diversity in the legal profession is to increase their retention of minority and women owned law firms.

Labor and Employment Lawyers

BurnsBarton is a WBENC and NAMWOLF certified law firm, founded in 2012. We are a group of Big Law attorneys who have gone small to provide excellent client service at a lower cost. Without the bureaucracy and overhead that comes with a large firm, our lawyers can focus on what they do best: advising and defending employers efficiently, effectively, and successfully. Our firm helps employers in every aspect of human resource law. We counsel our clients on a day-to-day basis to find creative employment solutions that avoid claims. But when claims inevitably arise, we defend our clients in litigation ranging from single-plaintiff discrimination claims to nationwide wage and hour class action lawsuits. We also assist our employer-clients with breach of contract and restrictive covenant lawsuits. We have earned a high degree of trust and loyalty from our clients because of the exceptional results we achieve for them, the high level of client service we provide, and the cost-effectiveness of our representation.

Licensed in Arizona, California, Colorado, Iowa, Illinois, New Mexico and Utah.

OUR SPECIALTY AREAS

Administrative Charges

Administrative charges are a fixture around our office. We handle nearly 100 such claims each year, including almost all nationwide EEO charges for a Fortune 500 client. Additionally, we handle claims before the federal and state departments of labor.

Independent Investigations

We routinely conduct internal investigations regarding allegations of inappropriate employee behavior. Some sizable investigations include allegations of C-suite level misconduct for Fortune 500 companies, national banks, international manufacturers, local government entities and nonprofits.

Confidentiality Agreements

We regularly draft and enforce confidentiality agreements and help clients shore-up trade secret and intellectual property protections. We counsel clients on how to proactively protect their IP, including drafting and modifying employee and vendor agreements, and internal policies and procedures that are sure to hold up in court. When necessary, we enforce clients' rights to confidential, proprietary and trade secret information through litigation.

Trials & Appeals

In North Carolina, trial experience is hard to come by. Both statistically and practically, almost all claims resolve themselves before either party reaches the courthouse steps. For those few and far between instances, our team is trial-ready. We have decades of experience at both the trial and appellate levels. Much of our appellate experience comes from opposing parties appealing matters in which we prevailed on summary judgment.

HR-Focused Services

We often partner with professionals in Human Resource departments to assist with issues such as contract review; developing policies and procedures; employee counseling and termination; drafting employee handbooks; creating employment and severance agreements; executive recruitment and termination; and FMLA, ADA and employee leave, layoffs, and training.

EMPLOYMENT LITIGATION

We have the breadth of expertise in the issues employers face and the up-to-date information on new topics emerging in employment law to advise our clients on creating, maintaining, and protecting safe, equitable, and profitable workplaces. We understand it is often in everyone's interest to resolve disputes discreetly and we routinely advise employers and employees on negotiating separations that avoid costly litigation and unwanted publicity. We advise and defend public and private companies in lawsuits alleging all types of employment-related claims including discrimination, harassment, retaliation, and FMLA issues. We also represent employers in executive compensation and executive contract disputes related to commission payments, employment terms, bonuses, wrongful discharge, and other related contract disputes. Our team counsels employers on enforcing non-compete covenants and protecting valuable trade secrets, such as customer lists, and other proprietary information. Furthermore, we have experience handling public relations challenges that can accompany sensitive matters and we work to resolve matters discreetly for all parties.

CONFIDENTIAL AND SENSITIVE INVESTIGATIONS

On occasion, employers face a particularly high stakes, sensitive or confidential employment matter that requires a custom solution, ranging from an internal investigation to an extensive report and recommendation of remedial strategies. In these situations, clients often need someone outside of their organization or who is not their regular outside counsel to manage the situation with objectivity and discretion. We conduct investigations related to claims of discrimination, sexual harassment, and retaliation for government, non-profit, and business clients.

EMPLOYMENT COUNSELING FOR BUSINESSES AND INSTITUTIONS

We regularly provide training and advice to clients on a range of employment matters as part of their risk management strategy. We provide real-time advice to clients as concerns about an employee's performance may develop. We offer training on a variety of employment-related issues, including discrimination and sexual harassment, social media usage, independent contractors, works-for-hire, and non-compete/non-solicitation agreements for employees ranging from C-Suite level leadership to front-of-house staff. Our knowledge of the developing trends and case law by jurisdiction allows us the flexibility and dynamism to engage and educate employees of all backgrounds and experience levels.

EMPLOYMENT COUNSELING FOR EXECUTIVES, ENTREPRENEURS, AND PROFESSIONALS

Executives, entrepreneurs, and professionals are often particularly concerned about the potential impact on their career and reputation when employment disputes occur. Our team understands the importance of addressing discrimination, harassment and retaliation and devising an exit strategy that allows our clients to move on to new opportunities without the taint of a public battle. We vigorously negotiate severance agreements that compensate clients for the financial consequences of employment disputes while preserving their professional options going forward. We counsel law firm and professional services partners, managers and associates, General Counsel and in-house lawyers, doctors and medical professionals, and C-Suite level executives and business partners on how to navigate a challenging work environment while working towards a resolution, including recovering for harm caused by wrongful discharge or breach of an employment contract.

We represent Fortune 500 corporations, government entities, closely-held companies, non-profits, and individuals in alternative dispute resolution, commercial litigation, corporate transactions and compliance, diversity and inclusion, employment, ethics and professional responsibility, government and regulatory affairs, hospitality, trusts and estates, and workers' compensation matters. ABOUT US

It began in 2009, when Sara Lincoln and Tricia Derr — both seasoned and accomplished trial attorneys — came together to create a new kind of law firm. They saw a need in the industry and a client demand for an alternative to the big, institutional law firms — one that offered diversity, trial experience and value.

That was the foundation for Lincoln Derr, and it continues to guide our firm now, as we continue to grow and win for our diverse spread of clients.

LABOR&EMPLOYMENT

We provide advice, counsel and litigation services to our large, mid-size and small employers. Lincoln Derr's employment group provides integral employment support, including training senior leaders and employees and developing and implementing policies to minimize corporate risk. Our attorneys know the law and are proactive and creative in developing solutions to the wide array of employment situations that arise.

Our attorneys prioritize innovative solutions that avoid litigation where desired. When litigation is necessary, we leverage our extensive courtroom experience to craft persuasive trial strategies in defense of your company or interests.

CALIFORNIA EMPLOYMENT DEFENSE TEAM

WHO WE ARE

A diverse team of employment lawyers representing major national employers in courts and agency proceedings throughout California, as well as in sensitive internal investigations. For full biographies, please visit our website at www.sanchez-amador.com.

HOW WE WORK

We typically assign a two-lawyer team on single-plaintiff cases. We invest significant non-billable time training and coaching our associates, so they advance at a rapid rate and are able to cost-effectively manage litigation. All written work product gets an extra review without charge to our clients, to ensure our quality standards are met.

We focus relentlessly on client service, striving to make our clients' jobs easier with clear and succinct communications, rapid response, and early submission of key documents for client review. We're constantly looking to improve our skills with focused training on deposition, cross-examination, writing, ethics, and other critical skills—on our dime, of course.

WHO WE REPRESENT

Primarily Fortune 500 companies in the financial services, retail, food service, and technology industries.

We have strong, collaborative relationships with our clients. Please allow us to put you in touch with in-house counsel references who know our work and see, first hand, the confidence their own business clients have in our responsiveness, results, creativity, and cost-effectiveness.

RESULTS

We achieve great results for our clients because we focus only on what needs to be done to get results for our clients, as defined by our clients. If discovery fights won't help us win, we avoid them. Being nasty with opposing counsel never helps, so we avoid that too. We really think about tactics and strategy and never take a cookie-cutter approach.
