

About the Insurance Practice Area Group

NAMWOLF's Insurance Practice Area Committee's ("I-PAC") mission is to introduce insurance clients to a national network of preeminent women and minority owned law firms comprised of highly skilled attorneys who are interested in their clients' issues, with the goal of fostering synergistic relationships. Member firms have significant expertise representing insurance companies relating to insurance products and personal and commercial insurance lines of business. Member firms also have experience with insurer recovery actions, and matters involving life, health, annuities and disability products and ERISA plans. Many Member attorneys came from the largest and most well-known firms and in-house legal departments in the country, and have significant experience representing Fortune 500 corporations. Through the I-PAC, NAMWOLF law firms and insurers will partner to identify potential problems, develop cost-effective solutions and explore the potential for an early resolution. If a settlement is not achievable, the Member firms have the depth of experience to try cases and handle appeals.

This booklet contains profiles of NAMWOLF firms that have significant experience working with insurance companies on a variety of matters. The firms are divided alphabetically, by practice area and by state.

Christian, Dichter & Sluga insurance attorneys offer a four-decade tradition of committed advocacy for insurers in complex insurance coverage and bad faith matters. In coverage matters, we try to minimize surprises and maximize predictability, with thoughtful, practical advice designed to avoid unexpected turns of events and expensive litigation. We address coverage issues directly, resolve them, and get our lawyers off the clock. Most recently, CDS secured a victory for their insurer clients before the Supreme Court of Nevada in an appeal regarding the validity of an exclusion for damages "payable to insured" in a personal umbrella liability policy.

Litigation

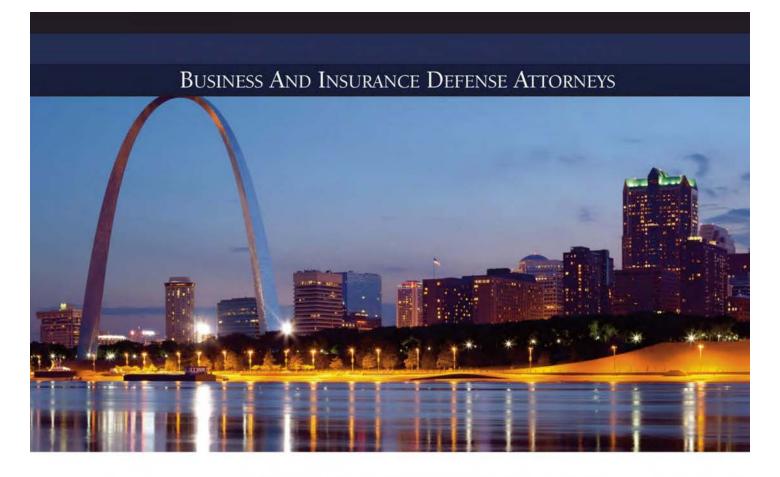

Our small size as a firm belies our extensive breadth of experience and peer recognition nationally. With collectively hundreds of jury trials, our trial lawyers know their way around a courtroom. Our trial work has included civil trials representing insurers, policyholders, businesses, and individuals. Additionally, our criminal defense representation includes a variety of practice areas with an emphasis on white-collar crimes and fraud. In December 2021, we secured judgment as a matter of law in a complex insurance bad faith and breach of contract case seeking over \$5 million and punitive damages. We not only protected our
