ABOUT THE L&E PAC

The Labor and Employment PAC is a national network of highly skilled and pre-screened minority and women owned law firms with significant expertise representing employers in all facets of labor and employment matters. This expertise includes and is not limited to litigation of discrimination, harassment, and retaliation claims; wage and hour claims; ERISA and benefits claims, and FMLA and other leave of absence claims; defense of collective and class actions; trade secret litigation; affirmative action and OFCCP; Sarbanes-Oxley; OSHA compliance; union negotiations and arbitrations; training, counseling, handbooks, and other human resources assistance; and conducting internal investigations. Through the PAC, NAMWOLF brings together law firms and major employers to create mutually beneficial partnerships, develop cost effective workplace solutions, provide effective legal defense, and achieve winning results.

ABOUT NAMWOLF

The National Association of Minority & Women Owned Law Firms (NAMWOLF), founded in 2001, is a 501(c)(6) nonprofit trade association comprised of minority and women owned law firms and other interested parties throughout the United States. Many corporations and public entities interested in diversifying their outside law firm ranks focus almost exclusively on the utilization of minority and female attorneys at majority firms. Yet the available data strongly suggests that these efforts have not resulted in greater diversity in the legal profession. It is NAMWOLF's view that the most effective way for corporations to increase diversity in the legal profession is to increase their retention of minority and women owned law firms.

OUR SPECIALTY AREAS

Administrative Charges

Administrative charges are a fixture around our office. We handle nearly 100 such claims each year, including almost all nationwide EEO charges for a Fortune 500 client. Additionally, we handle claims before the federal and state departments of labor.

Independent Investigations

We routinely conduct internal investigations regarding allegations of inappropriate employee behavior. Some sizable investigations include allegations of C-suite level misconduct for Fortune 500 companies, national banks, international manufacturers, local government entities and nonprofits.

Confidentiality Agreements

We regularly draft and enforce confidentiality agreements and help clients shore-up trade secret and intellectual property protections. We counsel clients on how to proactively protect their IP, including drafting and modifying employee and vendor agreements, and internal policies and procedures that are sure to hold up in court. When necessary, we enforce clients' rights to confidential, proprietary and trade secret information through litigation.

Trials & Appeals

In North Carolina, trial experience is hard to come by. Both statistically and practically, almost all claims resolve themselves before either party reaches the courthouse steps. For those few and far between instances, our team is trial-ready. We have decades of experience at both the trial and appellate levels. Much of our appellate experience comes from opposing parties appealing matters in which we prevailed on summary judgment.

HR-Focused Services

We often partner with professionals in Human Resource departments to assist with issues such as contract review; developing policies and procedures; employee counseling and termination; drafting employee handbooks; creating employment and severance agreements; executive recruitment and termination; and FMLA, ADA and employee leave, layoffs, and training.

Legal for People who Lead

Employment Litigation

Nothing has the potential to derail your operations, tarnish your reputation and tank the goodwill you've built up with your employees, customers, and community faster than a salacious and headline-grabbing employment-related lawsuit.

The MWH Approach

We understand many employment litigation matters are emotionally charged, which may tempt you to do whatever you need to make the situation go away as quickly as possible, even if it's not in your best interests. That's why we immediately get to work investigating the matter. We give you an early case assessment that clearly outlines the strengths and weaknesses of your case. Afterward, we regularly communicate with you to develop a case strategy to achieve the best possible outcome. We listen to your goals and are creative in our approach to meet your needs in the most cost-effective way.

Clients appreciate our "work ahead" method which allows us to deliver work product on time or in advance of court deadlines. In addition, the way we staff our projects ensures you have the best mix of attorneys and staff to address the issue at hand. You will promptly receive the answers you seek and the accountability you deserve from your legal team.

"Having represented hundreds of employers over the years, we have learned that developing a rapport with rank and file employees is critical not only to assessing the strengths and weaknesses of an employer's defense but also in presenting the case at trial."

~ Emery Harlan, Equity Partner

We Know Labor & Employment

Perez Morris attorneys are employment counsel to organizations across industries including aviation, automotive, food & restaurant, financial services, retail, health care, transportation/logistics, manufacturing and higher education.

Despite an organization's best efforts, it may still find itself the subject of a discrimination charge, a lawsuit, or a government inquiry or audit. We handle these matters on a national basis, from a small audit inquiry to a complex federal court litigation matter. We understand the nuances of state enforcement agencies and pay close attention to local practice standards to ensure compliance and the best possible chance of a successful outcome. We prepare well-investigated administrative charge responses, including thorough analyses and application of the law not only to dissuade the investigator from issuing an adverse decision but also to demonstrate to the Charging Party and any counsel who may be retained that we are prepared to defend the claim to full resolution.

We aggressively defend our clients in employment matters but also take the time at the outset of our relationship to listen and to understand their business objectives and needs. Clients regularly request that we review and draft employee handbooks and employment policies, design and conduct management and employee training, and investigate claims of discrimination, harassment, and retaliation. When needed, we zealously litigate on behalf of our clients. Our commitment to our clients keeps our relationships strong, and our long-time partnerships enduring.

Good People. Doing Great Legal Work. Exceptionally Well.

Perez Morris is a women-owned business law firm headquartered in Ohio with offices in Connecticut, Massachusetts, New Jersey, New York, and Pennsylvania.

We represent some of the largest U.S. and international industry leaders in the airline, automotive, construction, financial services, food & restaurant, healthcare, insurance, retail, global shipping & logistics, and transportation & trucking industries. We guide these clients to manage their business risks as well as their professional, management and commercial liability exposures. We help make deals happen by providing unmatched defense, business litigation, general counsel, and commercial transaction services worldwide.

At Perez Morris, we believe that great legal outcomes require hard work, attention to detail, and above all, reliable expertise. Our clients know that we do this – for them – every day.

CALIFORNIA EMPLOYMENT DEFENSE TEAM

WHO WE ARE

A diverse team of employment lawyers representing major national employers in courts and agency proceedings throughout California, as well as in sensitive internal investigations. For full biographies, please visit our website at www.sanchez-amador.com.

HOW WE WORK

We typically assign a two-lawyer team on single-plaintiff cases. We invest significant non-billable time training and coaching our associates, so they advance at a rapid rate and are able to cost-effectively manage litigation. All written work product gets an extra review without charge to our clients, to ensure our quality standards are met.

We focus relentlessly on client service, striving to make our clients' jobs easier with clear and succinct communications, rapid response, and early submission of key documents for client review.

We're constantly looking to improve our skills with focused training on deposition, cross-examination, writing, ethics, and other critical skills—on our dime, of course.

WHO WE REPRESENT

Primarily Fortune 500 companies in the financial services, retail, food service, and technology industries.

We have strong, collaborative relationships with our clients. Please allow us to put you in touch with in-house counsel references who know our work and see, first hand, the confidence their own business clients have in our responsiveness, results, creativity, and cost-effectiveness.

RESULTS

We achieve great results for our clients because we focus only on what needs to be done to get results for our clients, as defined by our clients. If discovery fights won't help us win, we avoid them. Being nasty with opposing counsel never helps, so we avoid that too. We really think about tactics and strategy and never take a cookie-cutter approach.

EMPLOYMENT

The lawyers in our Employment Group are an experienced legal team known for being practical, professional, and fair.

We counsel and advocate for both employers and employees. Our experience working on both sides sharpens our instincts for the best possible outcomes. Employment problems raise economic, privacy, and morale issues that are minimized with early evaluation and resolution. We work with our clients to assess risks and benefits and to recommend a strategy tailored to the client's business needs and values.

In order to better serve our clients needing representation outside of Washington, Stokes Lawrence is a member of two prestigious organizations, National Association of Minority and Women Owned Law Firms (NAMWOLF), and, Lawyers Associated Worldwide (LAW).
