WELCOME FROM LESLIE D. DAVIS

NAMWOLF CEO

Welcome to the 2023 Annual Meeting! We are excited and grateful that you have joined us. Given the challenges facing diversity in the legal profession, and throughout our country, those of us who understand the importance of diversity, equity and inclusion have important work to do. Indeed, we are strategically coming together to get it done!

I am looking forward to making many new connections and strengthening my existing relationships with each one of you. The NAMWOLF Team is determined to make this event an exceptional experience for all our great Law Firm Members, In-House Counsel, and Business Partners. We appreciate each one of you and your commitment to this organization.

For more than two decades, NAMWOLF has fought for the advancement of women and minorities in the legal profession by promoting minority and women owned law firms. We want to make it as easy as possible for in-house counsel to find the best diverse outside legal counsel, and our Annual Meeting is at the core of that effort. The Annual Meeting is a wonderful opportunity for corporate clients to witness first-hand how accomplished and skilled our Law Firm Members are, and a great time for our firms to build their networks and partner with some of the best legal minds across the United States.

A very special THANK YOU to each and every one of our Corporate and Law Firm Sponsors and our Business Partners. We appreciate your willingness to sponsor and participate in tough economic times. We could not have our meetings without your continued support.

We hope that you will take advantage of every opportunity to attend the insightful sessions and network with all of the amazing members of our NAMWOLF family. And of course...it is mandatory that you also have a lot of fun while doing the important work of NAMWOLF.

Best Regards,
Leslie

GENERAL COUNSEL PANEL

TUESDAY, SEPTEMBER 12, 2023

Dorothy Capers | *Senior Vice President & General Counsel* | **XYLEM** | CXYL is a leading global water technology company with 2022 revenues of \$7B and approximately 22,000 colleagues worldwide. XYL designs, manufactures and services highly engineered products and solutions across a wide variety of critical applications in the water and energy sector. Dorothy oversees a diverse legal team across the globe that supports the Company in areas of corporate governance, finance, regulatory compliance, mergers & acquisitions, employment, labor, litigation and corporate contracts. Dorothy is a member of the Senior Executive Team reporting to the Chief Executive Officer.

Prior to joining Xylem Dorothy was Executive Vice President and Global General Counsel of National Express, Inc. National Express is a publicly traded transportation company on the London stock exchange as a FTSE 250 company with subsidiaries in the United Kingdom, Spain, Bahrain, Morocco, Germany and North America. There she led a multinational team managing all aspects of the Legal and Compliance initiatives. Previous roles include Chief Litigation Counsel for US Foods, Inc. and extensive work as a litigator in the state, county and local government as well as in the private sector for law firms and corporations. Her government experience includes her leadership as a Deputy Corporation Counsel with the City of Chicago and as a prosecutor for the Cook County State's Attorney's office. Dorothy's first in house role was as Senior Counsel with Metra Railroad, a regional transportation authority.

Dorothy has lectured on legal topics related primarily to internal investigations, attorney client privilege, immigration law, development of convergence and alternative fee proposals and best practices for developing in-house litigation strategies. Dorothy has also written articles on various topics, most notably an article published in the International In-House Counsel Journal entitled The Trump Administration's New Era of Enforcement Policies and the Impact on U.S. Multinational Companies. Dorothy has been actively involved in the community for many years as a mentor and board member in various civic, nonprofit and cultural organizations. Dorothy currently sits as a member of the board of the Illinois Equal Justice Foundation and the Chicago State University Foundation. She serves as a mentor for the Chicago Urban League Impact Program.

Dorothy earned her J.D. from Howard University School of Law, Washington DC and her B.A from the University of Illinois, Champaign, IL.

Kim Cuccia | *Senior Vice President, General Counsel & Corporate Secretary* | **NISOURCE INC.**

She provides leadership and oversight for all legal matters related to NiSource's gas and electric utility operating companies in its six-state service area. Prior to her current role, Cuccia was Vice President and Deputy General Counsel, Legal Regulatory for NiSource. Cuccia has been a member of NiSource's legal department for 14 years. She previously served as General Counsel for Columbia Gas of Massachusetts, responsible for legal strategy and planning for the company during NiSource's restoration effort in Greater Lawrence, Massachusetts. She also led the business team established to respond to the state investigations into the Merrimack Valley Incident. Since joining NiSource, she has held positions of increasing responsibility including serving as chief counsel for all Columbia Gas Companies and leading the company's safety management system (SMS) deployment.

David O. Dardis | *Executive Vice President & General Counsel* | **CONSTELLATION**

Dardis is a veteran energy industry lawyer with more than two decades of experience representing utilities, electric generation companies, and power and gas marketers, and serving in the federal government. He manages all legal affairs, corporate governance, and corporate compliance for Constellation. He serves on the Constellation Executive Committee, which sets strategy and direction for the company. Constellation is the nation's largest supplier of clean energy with more than 32,400 megawatts of generating capacity from nuclear, wind, solar, natural gas and hydro assets. The new, publicly traded company will produce about 10 percent of America's carbon-free energy, making it a leader in addressing the climate crisis and an indispensable partner to businesses and state and local governments with its carbon-reduction goals.
