PRACTICE AREA COMMITTEE

Directory

The Intellectual Property Practice Area Committee includes a group of law firms and attorneys having a focus on all aspects of intellectual property law. The IP Practice Area Committee was organized to foster collaboration with its members, and to provide a resource to other non-IP NAMWOLF attorneys and law firms as well as a resource for corporate counsel desiring opportunities to work with NAMWOLF firms on IP-related matters. The IP Practice Area Committee's member firms have significant experience in all aspects of patent, trademark, copyright, trade secret, unfair competition, data rights, computer/internet/privacy law, and other IP-related areas including prosecution, litigation, licensing, and transactional matters. The IP Practice Area Committee strives to facilitate opportunities for corporate entities and NAMWOLF member firms to develop mutually beneficial partnerships to advance the goals of all parties. Furthermore, the IP Practice Area Committee provides continuing legal education (CLE) programs, organizes corporate on-site meetings, and works on policy and other initiatives to further advance NAMWOLF's goals and to help establish practical relationships and engagements with corporate counsel and within the IP bar as a whole.

Intellectual property is a critical, valuable part of your business. It can also be leveraged unfairly to disrupt your legitimate business goals. Having represented both plaintiffs and defendants, our firm is adept at both protecting intellectual property and protecting your business from accusations of infringement.

Our substantive experience runs the entire IP spectrum: patent, trademark, copyright, and trade secret disputes. Because of the breadth of our practice areas, our attorneys have found themselves litigating IP disputes in multiple venues across the country including district courts, appellate courts (including the Federal Circuit), arbitration tribunals such as WIPO, the USPTO, and the ITC in Section 337 investigations.

A small sample of representative IP matters handled by our attorneys\* include:

### Patent Litigation

- In a design patent infringement suit, represented American Honda Motor Company against LKQ Corp., a supplier of aftermarket car parts. After an investigation into the extent of LKQ's copying of original Honda wheel designs, DTO contended that LKQ infringed 23 of American Honda's design patents covering original wheel designs for various Honda and Acura models. During the course of discovery, DTO successfully demonstrated that LKQ's accused wheels were identical to the patented wheel designs. LKQ subsequently settled on very favorable terms.

### Trademark Litigation

- Represented the defendant in a trademark infringement lawsuit filed by aggressive trademark plaintiff, Monster Energy, in which our client's "Love the Monster" advertising campaign was accused of infringing plaintiff's "Monster" mark for beverages. The matter settled favorably during discovery.

### Copyright Litigation

- Representing long-time client, PMC, in several lawsuits in which a celebrity photographer claims one of their copyrighted pictures was used without permission. To date, each matter has ended in a favorable settlement to PMC; some matters remain pending.

### Trade Secrets

- Together with co-counsel, represented a revolutionary Los Angeles technology company in a lawsuit against its former chief engineer and other former employees for misappropriation of trade secrets. Obtained highly favorable settlement on the eve of taking first deposition in the matter.

## OUR INTELLECTUAL PROPERTY PRACTICE

Our IP team has talented and highly experienced attorneys with a track record of success. The practice encompasses dozens of industries, with our IP clients ranging from Fortune 500 companies to startups. The practice focuses on:

- Copyright and trademark litigation
- Trademark registration and maintenance
- Brand protection
- Patent disputes
- Trade secrets

While we stand ready to litigate aggressively in court and the TTAB, we understand that litigation is often a strategic tool for posturing a dispute towards a cost-effective resolution. LimNexus IP attorneys are thus adept at the strategic use and timing of legal proceedings and other methods to help clients protect their brands and other intellectual properties. Using the same expertise, our attorneys employ proactive tactics such as preemptive suits for noninfringement to successfully defend our clients. When defending against infringement claims, we are skilled at obtaining contribution or indemnity from other parties and insurers and quickly resolving cases when warranted by our exposure assessment.

LimNexus IP attorneys partner with our clients to develop sophisticated strategies to clear, register and protect their valuable trademarks. We also assist with setting up cost-effective protocols for clients who self-register copyrights.
