## ABOUT THE L&E PAC

The Labor and Employment PAC is a national network of highly skilled and pre-screened minority and women owned law firms with significant expertise representing employers in all facets of labor and employment matters. This expertise includes and is not limited to litigation of discrimination, harassment, and retaliation claims; wage and hour claims; ERISA and benefits claims, and FMLA and other leave of absence claims; defense of collective and class actions; trade secret litigation; affirmative action and OFCCP; Sarbanes-Oxley; OSHA compliance; union negotiations and arbitrations; training, counseling, handbooks, and other human resources assistance; and conducting internal investigations. Through the PAC, NAMWOLF brings together law firms and major employers to create mutually beneficial partnerships, develop cost effective workplace solutions, provide effective legal defense, and achieve winning results.

## ABOUT NAMWOLF

The National Association of Minority & Women Owned Law Firms (NAMWOLF), founded in 2001, is a 501(c)(6) nonprofit trade association comprised of minority and women owned law firms and other interested parties throughout the United States. Many corporations and public entities interested in diversifying their outside law firm ranks focus almost exclusively on the utilization of minority and female attorneys at majority firms. Yet the available data strongly suggests that these efforts have not resulted in greater diversity in the legal profession. It is NAMWOLF's view that the most effective way for corporations to increase diversity in the legal profession is to increase their retention of minority and women owned law firms.

## Labor and Employment Lawyers

BurnsBarton is a WBENC and NAMWOLF certified law firm, founded in 2012. We are a group of Big Law attorneys who have gone small to provide excellent client service at a lower cost. Without the bureaucracy and overhead that comes with a large firm, our lawyers can focus on what they do best: advising and defending employers efficiently, effectively, and successfully. Our firm helps employers in every aspect of human resource law. We counsel our clients on a day-to-day basis to find creative employment solutions that avoid claims. But when claims inevitably arise, we defend our clients in litigation ranging from single-plaintiff discrimination claims to nationwide wage and hour class action lawsuits. We also assist our employer-clients with breach of contract and restrictive covenant lawsuits. We have earned a high degree of trust and loyalty from our clients because of the exceptional results we achieve for them, the high level of client service we provide, and the cost-effectiveness of our representation.

## OUR SPECIALTY AREAS

### Administrative Charges

Administrative charges are a fixture around our office. We handle nearly 100 such claims each year, including almost all nationwide EEO charges for a Fortune 500 client. Additionally, we handle claims before the federal and state departments of labor.

### Independent Investigations

We routinely conduct internal investigations regarding allegations of inappropriate employee behavior. Some sizable investigations include allegations of C-suite level misconduct for Fortune 500 companies, national banks, international manufacturers, local government entities and nonprofits.

### Confidentiality Agreements

We regularly draft and enforce confidentiality agreements and help clients shore-up trade secret and intellectual property protections. We counsel clients on how to proactively protect their IP, including drafting and modifying employee and vendor agreements, and internal policies and procedures that are sure to hold up in court. When necessary, we enforce clients' rights to confidential, proprietary and trade secret information through litigation.

### Trials & Appeals

In North Carolina, trial experience is hard to come by. Both statistically and practically, almost all claims resolve themselves before either party reaches the courthouse steps. For those few and far between instances, our team is trial-ready. We have decades of experience at both the trial and appellate levels. Much of our appellate experience comes from opposing parties appealing matters in which we prevailed on summary judgment.

### HR-Focused Services

We often partner with professionals in Human Resource departments to assist with issues such as contract review; developing policies and procedures; employee counseling and termination; drafting employee handbooks; creating employment and severance agreements; executive recruitment and termination; and FMLA, ADA and employee leave, layoffs, and training.

# Legal for People who Lead

#### EXPERIENCE

Companies from diverse industries and public entities look to us for assistance with questions involving all aspects of the employment relationship, from recruiting to separation. We have litigated discrimination and harassment claims based on race, gender, age, religion, national origin, sexual orientation, disability, and other protected status; claims of wrongful termination and retaliation under state and federal law; wage claims under federal and Colorado Law, claims of negligent hiring and supervision; claims brought under the Colorado legal off-duty activities statute; disputes arising out of non-competition or non-solicitation agreements; disputes involving trade secret misappropriation; and an ever-broadening range of common-law claims arising from workplace conduct.

Our attorneys are experienced in representing employers in mediations and investigations by the Equal Employment Opportunity Commission, the Colorado Civil Rights Division, the Occupational Safety and Health Administration, and the Federal and Colorado Departments of Labor, among other state and federal agencies. Our firm is often called upon to counsel employers on personnel policies and claims prevention issues, and has presented training and informational seminars to company management groups and employees. Our attorneys also practice in state courts across the State of Colorado, the United States District Court for the District of Colorado, and the Tenth Circuit Court of Appeals.

We recognize the importance of addressing legal questions in the context of our clients' day-to-day operations and achieving solutions that suit our clients' business and human resources needs. We often advise employers on questions involving hiring, interviewing, pre-employment screening, employee handbooks and workplace policies, performance evaluations, effective performance improvement or discipline, workplace investigations, and options for ending the employment relationship.

## We Know Labor & Employment

[perezmorris.com](http://perezmorris.com)

Despite an organization's best efforts, it may still find itself the subject of a discrimination charge, a lawsuit, or a government inquiry or audit. We handle these matters on a national basis, from a small audit inquiry to a complex federal court litigation matter. We understand the nuances of state enforcement agencies and pay close attention to local practice standards to ensure compliance and the best possible chance of a successful outcome. We prepare well-investigated administrative charge responses, including thorough analyses and application of the law not only to dissuade the investigator from issuing an adverse decision but also to demonstrate to the opposing party that we are prepared to defend the claim to full resolution.

Perez Morris is a women-owned business law firm headquartered in Ohio. Our attorneys are employment counsel to organizations across industries including aviation, automotive, food & restaurant, financial services, retail, healthcare, transportation/logistics, manufacturing and higher education. Clients regularly request that we review and draft employee handbooks and employment policies, design and conduct management and employee training, and investigate claims of discrimination, harassment, and retaliation. When needed, we zealously litigate on behalf of our clients.

# CALIFORNIA EMPLOYMENT DEFENSE TEAM

## WHO WE ARE

A diverse team of employment lawyers representing major national employers in courts and agency proceedings throughout California, as well as in sensitive internal investigations. For full biographies, please visit our website at [www.sanchez-amador.com](http://www.sanchez-amador.com).

## HOW WE WORK

We typically assign a two-lawyer team on single-plaintiff cases. We invest significant non-billable time training and coaching our associates, so they advance at a rapid rate and are able to cost-effectively manage litigation. All written work product gets an extra review without charge to our clients, to ensure our quality standards are met.

We focus relentlessly on client service, striving to make our clients' jobs easier with clear and succinct communications, rapid response, and early submission of key documents for client review. We're constantly looking to improve our skills with focused training on deposition, cross-examination, writing, ethics, and other critical skills—on our dime, of course.

## WHO WE REPRESENT

Primarily Fortune 500 companies in the financial services, retail, food service, and technology industries.

We have strong, collaborative relationships with our clients. Please allow us to put you in touch with in-house counsel references who know our work and see, first hand, the confidence their own business clients have in our responsiveness, results, creativity, and cost-effectiveness.

## RESULTS

We achieve great results for our clients because we focus only on what needs to be done to get results for our clients, as defined by our clients. If discovery fights won't help us win, we avoid them. Being nasty with opposing counsel never helps, so we avoid that too. We really think about tactics and strategy and never take a cookie-cutter approach.
