About NAMWOLF

Founded in 2001, NAMWOLF is a nonprofit trade association comprised of minority and women owned law firms who have exhibited excellence in the legal profession throughout the United States. Many corporations and public entities committed to diversifying their outside law firm ranks have focused on the utilization of minority and women attorneys at majority firms. However, the most effective way for corporations and public entities to increase diversity in the legal profession is to increase their utilization of minority and women owned law firms. NAMWOLF's mission is to promote true diversity in the legal profession by fostering the development of long-lasting relationships between preeminent minority and women owned law firms and corporations and public entities.

About NAMWOLF law firm membership

NAMWOLF Law Firm Members must complete an extensive application and screening process before they can be admitted for membership. Law firm candidates must have a significant corporate law practice and exhibit excellence in the quality of law practiced, as evidenced by corporate references, presence on outside counsel-approved lists and panels for national or regional corporations, Martindale-Hubbell AV Peer Review Rating, and other awards and memberships. Law firms must be headquartered in the United States or Puerto Rico and have a minimum of three full-time attorneys.

INSOLVENCY & CREDITORS' RIGHTS LITIGATION

Not all loans perform with perfection. And debts are not always paid. It's called "the business cycle" for a reason, after all. When the seas get rough, we help our lender and business clients choose the right path.

Nonjudicial Remedies. Many disputes and defaults can best be resolved without litigation and our attorneys know how to effectively implement lenders' and other creditors' remedies short of litigation. We routinely assist in work outs and forbearance agreements with an eye toward returning a loan or a business deal to a performing status or in a structured collaboration with the borrower/debtor to optimize the value of collateral in liquidation. When this path does not lead to a satisfactory outcome, we are able to quickly begin repossession or foreclosure proceedings.

Judicial Remedies. Whether the choices are to sue on a Note and Guaranty, seek judicial foreclosure, initiate collection proceedings, or have a receiver appointed to preserve and liquidate assets, our attorneys have deep experience in the relevant law and are at home in the courtroom. We are able to advise on the benefits and potential pitfalls of a particular course of action and bring to bear decades of experience with receiverships, state court proceedings, and the bankruptcy courts.

Bankruptcy Proceedings. Our insolvency & creditors' rights attorneys provide counseling and advocacy services to creditors involved in or impacted by bankruptcy-related matters. We represent both secured and unsecured creditors in all types of creditor rights and insolvency related litigation. Our unsecured creditor clients run the gamut from small businesses pursuing collection of a claim to institutional investors and shareholders. We also represent unsecured creditors with specialized problems, such as landlords, vendors, and franchisors, helping our clients navigate and achieve the most favorable resolutions for their businesses. Secured creditor clients may include lenders and other trade vendors, along with a range of other creditors. After evaluating the best approach for our creditor clients, we make practical recommendations and are ready to employ the full range of creditors' remedies in the bankruptcy courts, including motions for relief from the bankruptcy stay, objections to plan confirmation, defending against objections to claims, motions to allow administrative expenses, and the like. We also assist our clients in opposing preference actions and other clawback litigation under the bankruptcy code.

Maximizing Recovery. When enforcement proceedings begin, our lender and creditor clients want to minimize the risk of loss. We take a practical, cost-effective approach focused on what will provide the best net benefit at the end of the day.

OVERVIEW

Wright, Finlay & Zak, LLP ("WFZ") is a full-service litigation and transactional law firm with offices in California and Nevada. We also have attorneys who are licensed in Washington, Arizona, Oregon, Utah, New Mexico, Montana, Hawaii, Idaho, and South Dakota, allowing WFZ to assist you with your legal needs throughout the Western United States. WFZ provides its legal services at reasonable hourly rates, with particular attention to the overall cost of any matter. Our goal is to provide quality representation and excellent service at a reasonable cost.

LOAN SERVICING AND DEFAULT LITIGATION

WFZ's core practice area includes representing national, regional and small loan servicers, investors and originators in all aspects of mortgage banking and consumer finance litigation. Representation ranges from defending creditors in individual borrower cases to class and "mass" actions involving payment misapplication, loan modification, wrongful foreclosure, predatory lending, bankruptcy, title, rent control, force-placed insurance, unfair business practices and other mortgage-related issues impacting our clients. Our attorneys have experience in defending cases involving most Federal and State statutes, including the California and Nevada HOBR, TILA, RESPA, FCRA, FDCPA, California's Rosenthal Act, TCPA, SCRA, RICO, HAMP and HAFA. We successfully resolve most cases via settlement that results in a performing asset or liquidation. WFZ also assists its clients in mortgage fraud recovery, helping our clients recover mortgage losses caused by originator, broker or appraiser fraud and negligence. WFZ can also assist with affirmative actions for judicial foreclosure, deficiency judgments, title curative and receiverships.

If you have any questions pertaining to this area of practice, please contact **Robert Finlay** or **Robin Wright**.

SERVICING COMPLIANCE

WFZ provides mortgage servicing clients with all aspects of regulatory compliance advice. WFZ's attorneys have assisted its clients with compliance with the CFPB Rules, National Mortgage Settlement and various federal statutes, including FDCPA, RESPA, TILA and TCPA. We have designed programs for many of our clients to ensure compliance with California and Nevada's Homeowner Bill of Rights, Washington's Foreclosure Fairness Act, and state and federal successor in interest laws. WFZ's Compliance, Licensing and Regulatory Division is actively involved in the state lobbying process and has direct access to lobbyists in many of the states we cover on the West Coast. WFZ is able to track pending laws, oppose unwanted laws and revise bills that are likely to pass, which helps our clients track potential new legislation and implement new procedures to ensure compliance when the new laws go into effect. WFZ also assists clients in responding to regulatory complaints and investigations relating to loan servicing.

If you have any questions about our servicing compliance practice, please contact **Michelle Mierzwa** or **Robin Wright**.

GENERAL COMMERCIAL LITIGATION

WFZ's attorneys are experienced in representing parties in all types of breach of contract cases, including breach of contract claims involving tort allegations. Examples include garden variety business disputes, commercial lease agreements, real estate and other investment deals, sales representation agreements, partnership agreements, intra-company shareholder disputes and creditor claims. WFZ is also known for its Real Estate and Consumer Finance practice. WFZ's attorneys can handle all types of real estate and finance related disputes, including those involving real estate purchase and sale agreements, leases, loan agreements, title issues, partnerships and joint ventures, as well as any other real estate related matter.
