The perfect resource for finding vetted litigators and neutrals in the right location and with the right skill set.

# The NAMWOLF Trials Practice Area Committee

The NAMWOLF Trials Practice Area Committee (“Trials PAC”) consists of attorneys and law firms with significant, demonstrated experience litigating and trying cases. Trials PAC members have litigated and tried cases in a wide range of matters, often involving complex commercial disputes, including: antitrust; AI; aviation; banking and finance; bankruptcy; business and commercial; constitutional; construction; consumer; corporate and securities; education; employment; entertainment; environment, energy & resources; ERISA; health & healthcare; immigration; insurance; intellectual property (copyright/patent/trademark/trade secret); international; labor; malpractice & professional liability; maritime; personal injury; premises & product liability; privacy & cybersecurity; public contract & entity; real estate; regulatory; restaurant retail & hospitality; RICO; taxation; toxic torts; transportation; trust & estates; warranty, white collar; and workers compensation / employee injury.

Our members have personal trial experience with single plaintiff, multi-party, “bet the company”, collective and class action, and multi-district litigation cases, as well as providing representation to their clients in mediations and arbitrations throughout the country. Collectively, members of the Trials PAC litigate and try cases in state and

federal court, as well as some international tribunals, and can put their experience to work in mediation and arbitration—always with the goal of getting the best outcome for the client.

Whether representing individuals, local, regional, national, or international businesses and institutions, our members are nimble, quick on their feet, and able to take on whatever the day in court may throw at them.

Our Trials PAC directory showcases the talents of our experienced NAMWOLF litigators and trial attorneys. Collectively, Trials PAC members have spent thousands of days in trial and arbitration in thousands of jury and bench trials and arbitrations. Trial PAC members have the experience to fully recognize and appreciate that each matter, especially those that go to trial or arbitration - small or large - is significant to the client. We hope this directory provides a resource for in-house counsel looking to work with experienced NAMWOLF litigators and trial attorneys, and neutrals, on a variety of legal matters and for our members to work collaboratively with each other across jurisdictions.

***When you need seasoned representation—NAMWOLF’s Trial PAC members have got you covered!***

AGGRESSIVE WHEN NECESSARY, ALWAYS EFFECTIVE.

**ANDRADE GONZALEZ LLP** attorneys have unparalleled specialization in handling all aspects of litigation, trials, administrative hearings, and arbitrations with globally recognized results. While our firm’s attorneys have tried dozens of cases to verdict or final decision, we have also successfully resolved over 500 cases with creative early resolution processes, demurrers, and strategic motions for summary, and judgment on the pleading.

Even in the most complex and sensitive cases, our seasoned attorneys use creativity and expertise to navigate with ease difficult **commercial, tort, entertainment, intellectual property, employment, insurance coverage, product liability, professional liability, and, real estate** matters. As most cases resolve before trial, we are always strategic and quick to recognize early opportunities, often diffusing cases quickly and efficiently. In the courtroom, we are strong and aggressive while maintaining the highest level of professionalism in the most difficult situations.

After obtaining a full defense verdict in a four-week jury trial with five plaintiffs alleging difficult claims of sexual abuse and seeking \$24.5 million in damages, The Los Angeles and San Francisco Daily Journal recognized Mr. Andrade’s result as a “Top Defense Verdict.”

CM Law is the largest national full-service women-owned law firm in the U.S. Our nearly 70 attorneys bring an average practice experience of more than 20 years. Our trial attorneys have the experience, grit, and skill to fight our clients' battles, while keeping in mind business objectives and workplace relationships. We try cases nationwide, leveraging our significant knowledge of our local state and federal courts in our "home" states and those nearby, and our deep subject matter knowledge on behalf of our clients wherever the need arises. And our attorneys have significant appellate experience to back up our trial (or arbitration) results. Our experienced partner-level attorneys offer our clients a wealth of experience, and CM Law's innovative cloud-based practice model and use of technology allow us to work nimbly, whether in the office or on the road while keeping overhead and fees to clients well below those charged by firms with comparable experience. We'd love to put this experience to work for you.

## WHY CHOOSE OUR LITIGATION TEAM?

- **We are not afraid to try cases.** Working up each case to be trial-ready prepares us to prosecute dispositive motions, engage in effective settlement negotiations, and go to trial. Our experience allows us to work effectively with our clients and their opponents to fashion creative ways to resolve disputes. We are also frequently asked to step into matters on an expedited basis, such as those involving injunctive and other extraordinary relief.
- **Our know-how makes us quick on our feet, able to adapt to quickly changing dynamics in the courtroom.** The significant experience our litigators bring to the table is unparalleled.
- **We offer business-savvy solutions that only seasoned professionals can provide.** This allows us to act as facilitators – not "roadblocks" to your business objectives, moving the dispute quickly from claim to settlement through our broad experience and expertise in alternative dispute resolution processes.
- **Our competitive fees are unmatched by similarly-experienced partners at traditional law firms.** Our billing rates for our partners are usually equal to or lower than those charged by large firms for their junior associates.
- **Our lawyers place a premium on relationships.** We learn your business so we can represent your interests seamlessly as an extension of your organization.

However, if trial becomes necessary, our seasoned trial attorneys make sure that each client's case is presented in an effective and compelling way to maximize the likelihood of a positive outcome for our clients.

Meeting clients' biggest litigation and regulatory enforcement challenges.  
Delivering results in and out of the courtroom.

## Unmatched Experience

Mac Murray & Shuster is a nationally recognized, women-owned law firm focused on consumer protection and privacy regulatory compliance and defense. From entrepreneurial startups to Fortune 500 companies, we help businesses proactively manage their compliance responsibilities and defend against litigation and government enforcement actions. Led by former state regulators, including an Ohio Attorney General, our team brings an intimate knowledge of consumer protection law and seasoned trial experience that only comes from having helped shape and enforce the regulatory landscape themselves.

## Powerful Partnership

We have extensive experience nationwide with class action, complex civil, and regulatory enforcement matters before state attorneys general and federal agencies including the FCC, FTC, and CFPB. We understand not only the financial costs of litigation, but the disruption to your business and potential impact on your brand and reputation. # TALENTED TRIAL COUNSEL

NILAN JOHNSON LEWIS (NJL) is an innovative, independent, women-owned law firm that is a first choice for organizations across the country seeking deep expertise to solve their complex business challenges and disputes. The firm's status as one of the largest women-owned law firms nationwide reflects NJL's longstanding commitment to fostering a diverse and inclusive workplace. We deliver exceptional results precisely because we celebrate and advance the diversity of our team and clients.

Many litigators don't actually try cases. We do. We recognize that every step of a case - from the initial response to a demand through summary judgment briefing - can have a profound effect on the outcome of a trial. We constantly analyze the facts, the witnesses, and our legal defenses to place our client in the best position at trial. We categorize every claim by exposure level, and then tie our litigation strategy and legal spend to the exposure to ensure a targeted, cost-effective approach. Given the rise in so-called nuclear verdicts, we select the "right" cases for trial for the best possible results.

We also understand the disruption that litigation has on your business. That's why we make it a priority to know your business and build strong relationships with your leaders and company witnesses, so we can minimize the impact on them while maximizing the likelihood you will prevail at trial.

## NATIONAL RECOGNITION

Nilan Johnson Lewis' trial counsel have been nationally recognized for their skills in the courtroom. We have members of the American Board of Trial Advocates (ABOTA), the American College of Trial Lawyers, the Federation of Defense and Corporate Counsel, and the Association of Defense Trial Counsel. The vetting required to become associated with those organizations show you don't just have to take our word for how good we are in the courtroom.

## DROP-IN TRIAL EXPERIENCE

Nilan Johnson Lewis' trial counsel have been nationally recognized for their skills in the courtroom. We have members of the American Board of Trial Advocates (ABOTA), the American College of Trial Lawyers, the Federation of Defense and Corporate Counsel, and the Association of Defense Trial Counsel. The vetting required to become associated with those organizations show you don't just have to take our word for how good we are in the courtroom.

## ARBITRATION

We have also successfully tried numerous arbitrations, including seven cases before the AAA in just the past five years, reaching complete defense verdicts in six of the arbitrations, and a partial defense verdict in one.

## JURY RESEARCH

We work with top-flight jury research companies to prepare witnesses for difficult cross-examinations. Our team also does real time research on prospective jurors during voir dire to identify problematic jurors.

## WITNESS PREPARATION

Because we know your business, we can identify and groom the witnesses most effective at telling your company's story. We carefully plan preparation sessions to balance work and litigation risks.

## RELATIONSHIPS WITH EXPERTS

Our close relationships with industry-leading experts means that they will take our calls and work with us to develop the most persuasive explanations of difficult concepts for jurors.

Your Local Texas Counsel

www.pgtxlaw.com

## INNOVATIVE LEGAL SERVICES FOR YOUR BUSINESS

At PGTX, our philosophy is to put clients first and obtain results in a cost effective manner. Today, in Texas, this often means navigating the wild west of large Plaintiff verdicts in the smaller counties.

Our mission is to resolve cases as quickly as possible while ensuring the client's interests are always protected. We begin each matter with a cost projection of estimated costs of legal fees versus the benefit of early settlement, so our clients can see and understand the effectiveness of early case disposition.

## TEXAS TRIAL LAWYERS

### 1. Local Litigators & Advisors

Our attorneys are from Central and South Texas. We live here, we try cases here, and know the juries in our area. One county can be right next door to another, and the expected verdicts can be very different. We know that difference and can advise our clients how to best navigate any case in a particularly dangerous county. That is the value of having PGTX on your side.

### 2. Licensed Mediators

Mediation, whether pre- or post-suit, can be a valuable step in a case. Sometimes, this is the *best* step, even very early in the process. Our attorneys are experienced in both guiding our clients through mediation as well as serving as mediators.

### 3. Arbitrators

Not all cases end up in Court, and not all cases should *stay* in court. We handle arbitrations as well. Whether you need an experienced arbitrator to help finalize a case or a litigator that knows the ins and outs of AAA arbitrations. We can serve your legal needs.

## PRACTICE AREAS

- Personal Injury Defense
- General Liability Defense
- Construction Defect Defense
  - Residential & Commercial
- Non-Subscriber Defense
- Arbitrators & Mediators

## Amy M. Stewart (she, her, hers)

Founding Partner | Intuitive. Strategic. Relentless.

"She gets it. When you work with Amy, you will understand why."

Amy is the woman you want on your team. She's intuitive, strategic, and relentless. What sets Amy apart from other attorneys are the skills she garnered from her experiences in the athletic world. Winning is in her blood – she played college basketball at Wake Forest University and coached Division I basketball at her alma mater and Tulane University before shifting her focus to wins in the courtroom. Amy's unique background helps her bring a dignified and measured aggressiveness and competitive nature to her legal practice.

### WIDE RANGE OF EXPERTISE

Amy has experience in resolving commercial disputes, business torts, employment, and labor matters. In addition to her civil trial and arbitration experience, Amy is a highly sought-after investigator who analyzes high-profile and sensitive ethical and workplace-related issues. Indeed, Amy has investigated the types of matters that land on the front page of the *Dallas Morning News*. Additionally, Amy is a certified Title IX Investigator by the Association of Title IX Administrators. Additionally, Amy serves on the board of Anomaly Sports Group, LLC, a national educational consulting firm on the topic of NIL.

Amy also is certified as an Arbitrator with the AAA and presides over commercial, construction, and employment matters. She was recently inducted into the prestigious International Institute for Conflict Prevention and Resolution Panel of Distinguished Neutrals.

### A FORCE TO BE RECKONED WITH

Based on her experience building winning teams, Amy has an innate ability to connect with clients. By listening to her clients, Amy identifies and understands the critical success factors before developing a game plan—what does a “win” look like for this legal dispute. Amy never gives up on meeting her client's objectives and uses her intellect and intuition to alter the game plan when issues arise. Business clients want Amy leading and representing their interests as their outside legal counsel. Opposing counsel respects her legal acumen and her tenaciousness.

### LEADER BY EXAMPLE

Amy leads the only minority and woman-owned law firm in Dallas that focuses on areas of general civil litigation, labor and employment, contracts, product liability, arbitrations, personal injury, and insurance defense. She is a frequent speaker at local, state, and national legal and non-legal conferences on several subjects.

Amy has been honored with numerous industry awards, including the 2022 D CEO Dallas 500 most powerful and influential leaders in Dallas-Fort Worth, 2021 Best Lawyers in America, 2021 Super Lawyers 50 Top Women Lawyers in Texas, 2021 Lawdragon 500 Leading U.S. Corporate Employment Lawyers, 2020 Texas Minority Counsel Program Trailblazer of the Year, 2020 America's Top 100 Personal Injury Attorneys, 2020 National Black Lawyers Top 100, 2020 & 2019 Dallas Bar Association's Presidential Citation, the 2019 Dallas Business Journal Minority Business Owner Award, 2019 American Bar Association 100 Women Who Inspire Us Award and is a five-time Super Lawyers honoree.

# Trial & ADR

Walsh's diverse team of attorneys successfully handle litigation matters at all stages including presuit, pretrial, trial, and through alternative dispute resolution. We represent international, national and regional corporations of all sizes, as well as individuals, across a broad range of industries and practice areas. ## WHY WE'RE DIFFERENT

Walsworth's trial team recognizes that in a litigation practice, the ability to successfully try cases to verdict is essential. Although trial is generally never the goal of the parties in a lawsuit, retaining counsel who has the ability to try cases and a history of successful trial results is a must. We have begun trial in over 900 jury trials, 250 non-jury trials, tried over 300 trials to verdict, and handled more than 275 arbitrations.

Experience, creativity, and collaboration are the keys to our successful outcomes. For more than 35 years, Walsworth has represented clients in trial across a full spectrum of industries. We dive into our clients' businesses from the outset of representation to fully understand all of the intricacies, and develop tailored strategies and defenses that resonate in the courtroom. Walsworth's trial attorneys' extensive experience before judges and juries is valuable not only when in trial, but also before the case gets to that point. Our comprehensive knowledge of what it takes to succeed in trial is carefully applied to the strategic work-up of each case. In addition, Walsworth's team of highly successful trial lawyers includes members of the American Board of Trial Advocates (ABOTA), one of the preeminent national organizations for experienced trial lawyers.

## Our Principle

We achieve great results for our clients. Our lawyers have tried over 150 cases to verdict or judgment. We view trial as an opportunity for client success, not a crisis. We are guided by one overriding principle: **Winning Matters®**

## Notable Results

- **Secured a trial victory** for AbbVie in a high-stakes breach of contract case in Delaware Chancery Court against Takeda, which failed to supply AbbVie's requirements for Lupron, the leading hormone therapy for prostate cancer. After a four-day trial, the Court found that Takeda breached multiple provisions of the supply agreement. The case proceeded in January 2023 to the second phase of the trial to determine the amount of damages to be awarded to AbbVie, which are expected to be in the high nine-figures.
- **Obtained a hard-fought settlement and stipulated injunction** to protect the trade secrets of Takeya USA, a manufacturer of popular stainless steel water bottles, on the proverbial eve of trial.
- **Secured a settlement just days before trial** for All Plastic in a high-profile patent infringement case. The District Court of Colorado adopted substantially all of Willenken's proposed constructions for seven contested terms of eight patent claims, placing All Plastic in a winning position.
- Represented the employees of an electric vehicle start-up facing allegations of misappropriation of trade secrets, violation of non-solicitation and confidentiality obligations, and breach of fiduciary duties, **reaching a favorable settlement**.
- On behalf of Motorola Solutions, we **obtained a total defense victory** and secured dismissal with prejudice of a bid-rigging and unfair competition lawsuit.
- **Secured a motion to dismiss** at the pleading stage by prevailing on an immunity defense under Section 230 of the *Communications Decency Act* for a leading social media app company in a high-stakes product liability matter.
- **Obtained a \$1 million victory** and a total defense victory to \$16 million in counterclaims—and then prevailed on those claims on appeal, on behalf of Lumens Co., Ltd.
