ABOUT THE L&E PAC

The Labor and Employment PAC is a national network of highly skilled and pre-screened minority and women owned law firms with significant expertise representing employers in all facets of labor and employment matters. This expertise includes and is not limited to litigation of discrimination, harassment, and retaliation claims; wage and hour claims; ERISA and benefits claims, and FMLA and other leave of absence claims; defense of collective and class actions; trade secret litigation; affirmative action and OFCCP; Sarbanes-Oxley; OSHA compliance; union negotiations and arbitrations; training, counseling, handbooks, and other human resources assistance; and conducting internal investigations. Through the PAC, NAMWOLF brings together law firms and major employers to create mutually beneficial partnerships, develop cost effective workplace solutions, provide effective legal defense, and achieve winning results.

ABOUT NAMWOLF

The National Association of Minority & Women Owned Law Firms (NAMWOLF), founded in 2001, is a 501(c)(6) nonprofit trade association comprised of minority and women owned law firms and other interested parties throughout the United States. Many corporations and public entities interested in diversifying their outside law firm ranks focus almost exclusively on the utilization of minority and female attorneys at majority firms. Yet the available data strongly suggests that these efforts have not resulted in greater diversity in the legal profession. It is NAMWOLF's view that the most effective way for corporations to increase diversity in the legal profession is to increase their retention of minority and women owned law firms.

The firm handles a wide range of matters involving premises liability, motor vehicle liability, commercial general liability, labor and employment law, worker's compensation and the representation of employers, self-insured employers and their insurance carriers. We also represent clients in state and federal courts, in arbitration, appeals, mediation, and in administrative hearings in employment and other matters.

Who We Are

The firm has an accomplished track record of consistently obtaining successes for the benefit of its clients in matters including, but not limited to, workplace investigation, trainings, pre-litigation, including answers/dispositive motions; including all stages of discovery, including necessary depositions; pre-trial and dispositive motions; and finally trial preparation and attendance. With such a firm commitment to our clients, Alexander Law, P.A. continues to offer creative solutions to our client's needs and concerns. We pride ourselves in helping parties resolve their disputes through alternative measures including mediation. Having served as mediator and arbitrator in various matters, we understand the importance of fair assessments. We understand that there are some positions that must be taken in order to achieve the delicate balance between resolving a matter and weighing the concerns of establishing a global precedent in positions we make on behalf of our clients. Yet, with all that we do, while representing our clients' interests, Alexander Law, P.A. at all times strives to "do justly, love mercy and walk humbly."

Diversity & Inclusion

As the only NAMWOLF firm headquartered in the state of Mississippi, Alexander Law, P.A. is a "unicorn" as we are the only firm in the state of Mississippi of its size that is led by an African American woman. The firm has a unique advantage of having assembled talent who are diverse in race, gender, age and life experiences. Our staff utilize those attributes to them to accomplish the needs of our clients, without any traditional boundaries. OUR SPECIALTY AREAS

Administrative Charges

Administrative charges are a fixture around our office. We handle nearly 100 such claims each year, including almost all nationwide EEO charges for a Fortune 500 client. Additionally, we handle claims before the federal and state departments of labor.

Independent Investigations

We routinely conduct internal investigations regarding allegations of inappropriate employee behavior. Some sizable investigations include allegations of C-suite level misconduct for Fortune 500 companies, national banks, international manufacturers, local government entities and nonprofits.

Confidentiality Agreements

We regularly draft and enforce confidentiality agreements and help clients shore-up trade secret and intellectual property protections. We counsel clients on how to proactively protect their IP, including drafting and modifying employee and vendor agreements, and internal policies and procedures that are sure to hold up in court. When necessary, we enforce clients' rights to confidential, proprietary and trade secret information through litigation.

Trials & Appeals

In North Carolina, trial experience is hard to come by. Both statistically and practically, almost all claims resolve themselves before either party reaches the courthouse steps. For those few and far between instances, our team is trial-ready. We have decades of experience at both the trial and appellate levels. Much of our appellate experience comes from opposing parties appealing matters in which we prevailed on summary judgment.

HR-Focused Services

We often partner with professionals in Human Resource departments to assist with issues such as contract review; developing policies and procedures; employee counseling and termination; drafting employee handbooks; creating employment and severance agreements; executive recruitment and termination; and FMLA, ADA and employee leave, layoffs, and training.

WE'RE EXPERIENCED TRIAL LAWYERS

During a time when there were few female attorneys and even fewer female trial attorneys in Kansas City, Karen made a name for herself by taking cases to trial – and winning. By successfully representing businesses in high-exposure employment and tort litigation, Karen developed an expansive and loyal client base. After practicing for other prominent Kansas City firms, Karen believed that she could offer the excellent service her clients deserve by opening her own firm. The Halbrook Law Firm opened in 2007 with only two employees. In 2010, Mitch Wood joined the firm and became a partner in 2017, when the firm re-branded to Halbrook Wood, P.C.

Through Karen's leadership and mentorship as both a trial attorney and business owner, the firm has thrived into a successful firm with a team of over 20 individuals and growing. Yet the firm's mission has remained constant: provide excellent service and develop meaningful relationships with the people and businesses we serve.

SMALL FIRM. BIG RESULTS.

The three partners at Kading Briggs draw on their “big firm” experience to bring a personalized and practical approach to each of their clients’ employment law needs. Representing many of the nation’s largest employers, Kading Briggs offers employment advice to navigate the most complex issues and regularly defends employers in single plaintiff, PAGA, and class actions across all California state and federal courts.

WE HAVE THE PEDIGREE & EXPERIENCE.

Each of the partners attended the nation’s top undergraduate and law schools and began their careers at “big firms” Paul Hastings and O’Melveny & Myers. The partners have more than 60 years’ combined experience in employment law, including many trials in state and federal courts. Most recently, Kading Briggs prevailed in one of the few PAGA cases to go to trial with a defense verdict affirmed on appeal.

WE BUILD RELATIONSHIPS OF TRUST.

Kading Briggs does not take any client for granted and understands that each issue, project, or case is an audition for the next. We take pride in our work and great care in building a relationship of trust. For these reasons, we have clients who have placed their trust in us for decades.

Employment Litigation

Nothing has the potential to derail your operations, tarnish your reputation and tank the goodwill you've built up with your employees, customers, and community faster than a salacious and headline-grabbing employment-related lawsuit.

The MWH Approach

We understand many employment litigation matters are emotionally charged, which may tempt you to do whatever you need to make the situation go away as quickly as possible, even if it's not in your best interests. That's why we immediately get to work investigating the matter. We give you an early case assessment that clearly outlines the strengths and weaknesses of your case. Afterward, we regularly communicate with you to develop a case strategy to achieve the best possible outcome. We listen to your goals and are creative in our approach to meet your needs in the most cost-effective way.

Clients appreciate our "work ahead" method which allows us to deliver work product on time or in advance of court deadlines. In addition, the way we staff our projects ensures you have the best mix of attorneys and staff to address the issue at hand. You will promptly receive the answers you seek and the accountability you deserve from your legal team.

"Having represented hundreds of employers over the years, we have learned that developing a rapport with rank and file employees is critical not only to assessing the strengths and weaknesses of an employer's defense but also in presenting the case at trial."

~ Emery Harlan, Equity Partner

~ Julie Bittner, Equity Partner

Our clients also benefit from the diverse perspectives brought by our Employment Litigation team. Equity Partner Julie Bittner says the female perspective she brings to workplace investigations and case handling is especially helpful when handling claims of sex discrimination and sex harassment. We Know Labor & Employment

perezmorris.com

Despite an organization's best efforts, it may still find itself the subject of a discrimination charge, lawsuit, or a government inquiry or audit. We handle these matters on a national basis, from the smallest audit inquiry, to complex federal court litigation. We understand the nuances of state enforcement agencies and pay close attention to the form and local practice standards to ensure compliance and the best possible chance at a successful outcome. We prepare well-investigated administrative charge responses, including thorough analyses and application of the law not only to dissuade the investigator from issuing an adverse decision but also to demonstrate to the Charging Party and any counsel who may be retained that we are prepared to defend the claim to full resolution.

Perez Morris, the largest woman-owned business law firm in Ohio, operates with a strategic presence throughout the Northeastern U.S., including offices in Connecticut, Massachusetts, New Jersey, New York, and Pennsylvania.

We serve some of the most prominent industry leaders across various sectors—airline, automotive, construction, financial services, food and restaurant, healthcare, retail, global shipping and logistics, and transportation and trucking. Our approach goes beyond managing business risks and liability exposures; we forge strong partnerships with our clients to facilitate deals and navigate complex legal landscapes through expert defense, business litigation, medical malpractice, pharmacy liability, and comprehensive general counsel services.

CALIFORNIA EMPLOYMENT DEFENSE TEAM

WHO WE ARE

A diverse team of employment lawyers representing major national employers in courts and agency proceedings throughout California, as well as in sensitive internal investigations. For full biographies, please visit our website at www.sanchez-amador.com.

HOW WE WORK

We typically assign a two-lawyer team on single-plaintiff cases. We invest significant non-billable time training and coaching our associates, so they advance at a rapid rate and are able to cost-effectively manage litigation. All written work product gets an extra review without charge to our clients, to ensure our quality standards are met.

We focus relentlessly on client service, striving to make our clients' jobs easier with clear and succinct communications, rapid response, and early submission of key documents for client review. We're constantly looking to improve our skills with focused training on deposition, cross-examination, writing, ethics, and other critical skills—on our dime, of course.

WHO WE REPRESENT

Primarily Fortune 500 companies in the financial services, retail, food service, and technology industries.

We have strong, collaborative relationships with our clients. Please allow us to put you in touch with in-house counsel references who know our work and see, first hand, the confidence their own business clients have in our responsiveness, results, creativity, and cost-effectiveness.

RESULTS

We achieve great results for our clients because we focus only on what needs to be done to get results for our clients, as defined by our clients. If discovery fights won't help us win, we avoid them. Being nasty with opposing counsel never helps, so we avoid that too. We really think about tactics and strategy and never take a cookie-cutter approach.
