PRACTICE AREA COMMITTEE

# About the Insurance Practice Area Group

NAMWOLF's Insurance Practice Area Committee's ("I-PAC") mission is to introduce insurance clients to a national network of preeminent women and minority owned law firms comprised of highly skilled attorneys who are interested in their clients' issues, with the goal of fostering synergistic relationships. Member firms have significant expertise representing insurance companies relating to insurance products and personal and commercial insurance lines of business. Member firms also have experience with insurer recovery actions, and matters involving life, health, annuities and disability products and ERISA plans. Many Member attorneys came from the largest and most well-known firms and in-house legal departments in the country, and have significant experience representing Fortune 500 corporations. Through the I-PAC, NAMWOLF law firms and insurers will partner to identify potential problems, develop cost-effective solutions and explore the potential for an early resolution. If a settlement is not achievable, the Member firms have the depth of experience to try cases and handle appeals.

This booklet contains profiles of NAMWOLF firms that have significant experience working with insurance companies on a variety of matters. The firms are divided alphabetically, by practice area and by state.

## About NAMWOLF

Founded in 2001, NAMWOLF is a nonprofit trade association comprised of minority and women-owned law firms who have exhibited excellence in the legal profession, and other interested parties throughout the United States. Many corporations and public entities committed to diversifying their outside law firm ranks have focused on the utilization of minority and female attorneys at majority firms. However, the most effective way for corporations and public entities to increase diversity in the legal profession is to increase their utilization of minority and women-owned law firms. NAMWOLF's mission is to promote true diversity in the legal profession by fostering the development of long lasting relationships between preeminent minority and women-owned law firms and corporations and public entities.

## About NAMWOLF's Law Firm Membership

# INSURANCE DEEP EXPERTISE

NILAN JOHNSON LEWIS (Njl) is a future-minded, women-owned law firm that is a first choice for organizations across the country seeking deep expertise to solve their complex business challenges and disputes. Diversity is a core value at NJL, fostering a collaborative environment where diverse perspectives drive innovation and exceptional client service. The firm has expertise in five areas of law: labor and employment, product liability/complex tort litigation, health care, business litigation, and corporate and nonprofit services.

## ERISA/LIFE, HEALTH, AND DISABILITY

Nilan Johnson Lewis' life, disability and health team represents insurers, ERISA-governed benefit plans, employers, third-party administrators, and reinsurers in federal and state courts throughout the country.

We defend ERISA claims in areas of life, health, disability, and other benefits. Our deep expertise also includes claims regarding breach of fiduciary duty and interpleader actions. Our talented attorneys are prepared to tackle key issues such as determining if an employer-sponsored benefit program is an ERISA plan, the impact of state laws prohibiting discretionary clauses, or ascertaining whether a church-named plan is exempt from ERISA. We also frequently handle matters involving out-of-network provider claims based on an assignment of benefits, defending claims denied on the basis of fraud, conflict of interest discovery, and class actions.

Beyond ERISA insurance litigation, our bench is well-equipped to defend bad faith/deceptive trade practices and breach of contract claims, punitive damage claims, and interpleader actions. Our reinsurance practice regularly handles health care claims and coverage disputes.

## COMPLEX INSURANCE DEFENSE AND COVERAGE

Our product liability, complex tort, and commercial practice encompasses a wide range of expertise that allows us to hit the ground running when insurers and their insureds need us most. We have handled auto and truck liability, commercial general liability, negligence, product liability, professional liability, toxic tort, and a variety of other complex claims. We have also served as coverage counsel for coverage opinions and litigation, as well as agent errors and omissions claims. Among other engagements, we have resolved nine-figure contract disputes, defended industry-wide conspiracy and fraud claims, managed litigation across the country as national counsel on complex product liability cases, and taken over trials as drop-in and appellate counsel. We are well prepared to take on the most complex cases for insurers and insureds. Although our primary practice is focused in Minnesota, Wisconsin, Iowa, and North and South Dakota, we handle cases in a number of other states as well.

Our investment in understanding our clients' businesses and operations tailors our representation and helps to inform a strategy that is suitable to meet specific objectives. We are also uniquely positioned to represent insurance companies against lawsuits that allege "bad faith" in the handling of claims and claimed reasonable withholding of policy benefits. Moreover, our team includes a specialist in the investigations of suspected fraudulent insurance claims, who has conducted countless examinations under oath for numerous national insurance carriers and their SIU units.

With decades of litigation and insurance defense experience, we are uniquely positioned to develop strong and creative recommendations, defenses, and arguments for our valued clients.

### REPRESENTATIVE MATTERS

- Secured a defense verdict for an insurance carrier after a five-week jury trial involving claims for breach of contract, insurance bad faith, elder abuse, and unfair competition, with punitive damages sought. The case arose from two alleged water-loss incidents at a Palm Springs residence, where the policyholder claimed the insurer failed to timely and fully pay the claims.
- Obtained dismissal with prejudice on the second day of a jury trial in a bad faith, large water loss litigation alleging punitive damages against the insurance carrier, when defendant prevailed on all motions in limine, which gutted the plaintiff's case.
- Secured a defense verdict in a case involving an accident between a small car and a tractor-trailer. It was suspected that this was a fraudulent lawsuit, and, during trial, we proved that two of the plaintiffs had lied under oath about critical aspects of the case.
