TRANSACTIONAL

PRACTICE AREA COMMITTEE

NAMWOLF

# ABOUT THE TRANSACTIONAL PAC

From incorporation to divestiture, and at every transition along the way, businesses demand precise and reliable transactional legal services to optimize their goals and maximize their value. The highly skilled and pre-screened minority and women owned law firms of the NAMWOLF Transactional Practice Area Committee have deep experience in the full breadth of transactional law disciplines. Through the Transactional Practice Area Committee, NAMWOLF strives to facilitate opportunities for major companies and NAMWOLF member firms to develop mutually beneficial partnerships to meet the transactional legal needs of NAMWOLF member corporations and promote diversity in the profession

## BANKING & FINANCE

The Banking and Finance Subcommittee serves as an informational resource and relationship bridge between its members and businesses in the banking and finance industries. Our members are talented lawyers with experience in a wide array of domestic and international banking and finance transactions and regulatory matters. The Subcommittee seeks to leverage the collective experience of its members to promote information exchange and professional development among NAMWOLF member firms, corporate partners and in-house counsels.

## CORPORATE, M&A & SECURITIES

The Corporate, M&A, & Securities Subcommittee serves as a vehicle to build relationships between its members and businesses with needs in the practice areas encompassed by the Subcommittee. Our members are talented NAMWOLF firms and lawyers who specialize in a wide array of domestic and international corporate, M&A and securities transactions and who possess a wealth of experience in such practice areas. Through the sharing of the collective experience of its members, the Subcommittee seeks to increase the knowledge and expertise of other NAMWOLF member firms, corporate partners and in-house counsels.

## REAL ESTATE

The Real Estate Subcommittee consists of experienced real estate lawyers from member firms across the country. Our members handle sophisticated transactions for companies and financial institutions with office, commercial, retail, industrial, warehouse, mixed use projects and other assets for development, acquisition, disposition, financing, and leasing. The experience base of our members is broad and includes providing clients with creative solutions in the areas of land use, construction, debt and equity financing, EB-5 financing, eminent domain, and redevelopment.

## TAX

The Tax Subcommittee member firms have helped numerous clients of all sizes navigate difficult tax issues. The range of matters handled by firms extends to tax-free spin-offs, tax-exempt entity restructurings, and complex capital matters arising in joint ventures. Attorneys at firms include LLM credentialed tax attorneys and specialists with considerable experience in seeking guidance and rulings from the IRS and litigating and resolving tax disputes.

## TECHNOLOGY

The Technology Subcommittee comprises member firms that specialize in a full range of technology-focused, legal services. Our practices encompass complex transactions, advanced technologies, privacy, cybersecurity, information technology, enterprise technology, intellectual property, artificial intelligence (AI), Internet of things (IoT) and other technology-based services. Members include lawyers who have held leadership positions within AmLaw 100 firms and Fortune 100 companies, and who are leading transactions that impact over 11 figures in annual operating revenues. Clients served by our member firms range from start-ups to Fortune 100 to Global Fortune 500 companies.

The background of the entire page is a solid orange color. Overlaid on this is a faint, semi-transparent image of a laptop. The laptop is open, and its screen displays a network diagram consisting of numerous nodes connected by thin lines, resembling a web or a data network. The laptop's keyboard and trackpad are also visible, though they are less distinct due to the transparency.
