ABOUT NAMWOLF

Founded in 2001, NAMWOLF is a 501 C (6) non-profit trade association serving corporate and public entities interested in diversifying their outside law firm portfolios. Available data strongly suggest that the most effective way for corporations to proliferate diversity in the legal profession is to retain minority and women owned law firms. For more than a decade, NAMWOLF has been successfully providing corporations and public entities with unique access to an exclusive group of carefully vetted minority and women owned law firms. In turn, NAMWOLF Law Firms provide their clients with superior work product, long lasting relationships and valuable strategic alliances.

OUR MISSION

Promote diversity in the legal profession by fostering successful relationships among preeminent minority and women owned law firms and private/public entities.

OUR VISION

Achieve equity in legal opportunity through minority and women owned law firms.

OUR GOALS

- To highlight a select group of minority and women owned law firms who have exhibited excellence in the legal profession.
- To advocate for the retention of minority and women owned law firms by businesses and other entities.
- To build strategic alliances, coalitions and affiliations among member firms.
- To ensure the long term survival of minority and women owned law firms.
- To support the continued growth and success of minority and women owned law firms.
- To encourage women and minorities to pursue careers in the legal profession and to foster the formation of minority and women owned law firms.
- To develop the professional excellence of minority and women owned law firms through training and education.

CRITERIA FOR ADMISSION

- Certified as a minority, women or LGBT owned, operated, managed and controlled (51% or more) firm. Must be certified by the National Minority Supplier Development Council (NMSDC), the Women's Business Enterprise National Council (WBENC), or The National Gay and Lesbian Chamber of Commerce (NGLCC).
- Favorable client references from national and regional corporations or major public entities, including corporate references within the Fortune 500
- Excellence in quality of law practiced, as evidenced by corporate references, presence on outside counsel approved lists and panels for national or regional corporations, and other awards and memberships
- Three or more full-time attorneys in the firm
- Headquartered in the U.S. or Puerto Rico
- Sufficient practice liability insurance (at least \$2 million)

The NAMWOLF team performs independent research on each prospective firm. After the firm's application is complete, the Admissions Committee, comprised of in-house counsel and NAMWOLF law firm members, reviews the collected materials and makes a recommendation for or against membership to the Board of Directors, with whom the final decision rests. Our goal is to have a blend of minority, women and LGBT owned law firms, dispersed geographically across the United States, representing a variety of corporate law expertise.

ABOUT ADK

Adams, Duerk & Kamenstein LLP (ADK) is a Los Angeles-based, nationally active, WBEC West-certified, 11-lawyer litigation boutique that handles complex civil disputes, high-stakes government investigations, and sensitive internal investigations. Clients come to us for solutions to their most critical legal challenges, from business disputes with millions on the line to allegations that threaten their reputations. Our firm pairs “deep expertise in sophisticated civil litigation and federal criminal law” with “the highest standards of professional integrity” (*Chambers USA*) to secure favorable resolutions in and outside of court.

ADK is staffed by veterans of top law firms, government agencies, and in-house legal departments, including five federal prosecutors and an SEC trial attorney, all with formative experience at Am Law 100 firms. As seasoned trial and appellate practitioners, we start with the endgame, preparing every case for the eventuality of trial. By optimally positioning cases at their outset, we help clients stay in control of the narrative and build the leverage they need to win.

ADK functions as a highly agile team, able to adapt to—and overcome—any hurdle. We respond in kind to fast-moving proceedings, keeping clients one step ahead of the opposition and out of the public eye. Our size gives us the flexibility to meet the unique needs of each case, often in the form of bespoke strategies that minimize costs while maximizing value. By combining personalized service with all the resources and sophistication of a large firm, we stand apart in our ability to deliver top-quality results without compromising on efficiency.

OUR CAPABILITIES

In the complex commercial litigation arena, ADK is entrusted with disputes of significant value and sensitivity, including matters involving government regulatory institutions, contract and partnership disputes, legal and professional liability, insurance coverage, class and multi-district actions, products liability, unfair competition, trade secrets, antitrust, employment, and discrimination. We also conduct internal investigations into allegations of misconduct—such as fraud, embezzlement, anti-competitive conduct, breach of fiduciary duty, harassment, and retaliation—against executives and elected officials.

Recently, we have represented:

- A multibillion-dollar corporation in a \$100 million class action lawsuit alleging various employment claims pertaining to a putative class consisting of approximately 30,000 California employees.
- PetroSaudi Oil Services (Venezuela) Ltd. in a nine-figure federal forfeiture action stemming from allegations pertaining to the 1Malaysia Development Berhad scandal (also known as the “1MDB” scandal) involving the prime minister of Malaysia and others in an alleged multibillion-dollar fraud that occurred in the early 2010s.
- The County of Los Angeles in multiple cases involving allegations of civil rights violations, with approximately \$50-100 million in potential liability per case.
- The CEO of a defunct, celebrity-backed national snack foods company in a lawsuit alleging various acts of securities fraud.
- Six Flags Discovery Kingdom (owned by Six Flags Theme Parks, an \$8 billion company) in a lawsuit brought by a former employee alleging retaliation and sexual harassment.
- A \$200 million IT company in a case involving claims of breach of contract and wrongful termination.
- A Fortune 500 company in a sensitive internal investigation.
- A statewide university system in a sensitive internal investigation.

ANDRADE GONZALEZ LLP attorneys have unmatched creativity and experience in all aspects of litigation and trials with nationally recognized results. We have tried dozens of cases to verdict or final decision and successfully resolved over 500 cases through early resolution and strategic motions.

When Founding Partner Sean Andrade obtained a full defense verdict in a four-week jury trial with five plaintiffs seeking \$24.5 million in damages with difficult claims of sexual abuse, The Los Angeles & San Francisco Daily Journal recognized this result as a "Top Defense Verdict."

Last year, our firm defeated liability in a high profile wrongful death case and achieved a major victory in the Court of Appeal on a critical emergency writ, securing a stay and a reversal of the trial court's ruling.

WE'RE EXPERIENCED TRIAL LAWYERS

During a time when there were few female attorneys and even fewer female trial attorneys in Kansas City, Karen made a name for herself by taking cases to trial – and winning. By successfully representing businesses in high-exposure employment and tort

litigation, Karen developed an expansive and loyal client base. After practicing for other prominent Kansas City firms, Karen believed that she could offer the excellent service her clients deserve by opening her own firm. The Halbrook Law Firm opened in 2007 with only two employees. In 2010, Mitch Wood joined the Firm and became a Shareholder in 2017. Lindsay Windham joined the Firm in 2014, became a Shareholder in 2016, and was named Managing Partner in 2017. Today, the Firm continues its legacy as Halbrook Wood Windham.

Through Karen's leadership and mentorship as both a trial attorney and business owner, the firm has thrived into a successful firm with a team of over 20 individuals and growing. Yet the firm's mission has remained constant: provide excellent service and develop meaningful relationships with the people and businesses we serve.

Our Story

Shannon and Allison each spent over a decade litigating commercial business matters in BigLaw. When we started our firm in 2011, we focused on employment law. Our firm is home to lawyers who are board certified in Labor and Employment, who have been hired as expert witnesses on employment law matters, and who have been recognized as Super Lawyers, Best Lawyers, Rising Stars, and Employment Law Stars.

Almost a decade ago, one of our clients, who happened to be a financial services company, came to us with a different kind of problem—how to manage a growing docket of consumer arbitrations. We dove in and created a unique, systemic approach. Soon, we were handling hundreds of consumer arbitrations for leading fintech companies and banks across the U.S. Today, we advise on a myriad of other issues impacting the financial services industry.

Kim Vaughan Lerner LLP is a litigation firm. We try cases. Our attorneys have tried more cases to verdict than most firms three times our size, giving us a perspective on risk, strategy, and resolution that purely settlement-driven firms simply do not have. That trial readiness shapes everything: how we evaluate a case, how we negotiate, and how we prepare from day one. Our clients are companies from South Florida businesses to national and international corporations who face commercial disputes, employment claims, insurance litigation, and product liability matters. They come to us because they want lawyers who know what a courtroom looks like from the inside, and who will give them straight answers about what their case is actually worth.

Zoning & Land Use

- Neal & Leroy has been a local leader in zoning and land use practices, representing lenders, institutional investors, corporations, real estate owners, and municipalities. Our experience reaches across the public and private sector, and from permitting and rezoning to ordinance interpretation and back-end litigation. We have also been leaders in the law of property valuation, land use, and public use law. N&L's team of attorneys are well-versed in the legal issues that can arise from the entitlement process, such as design and marketability, financing limitations, and environmental remediation zoning issues.

Real Estate and Construction Transactional:

Construction & Infrastructure

- **Construction Transactions:** We have drafted and established procurement and construction strategies for the construction of public and private facilities worth more than \$1B. Our team of attorneys and paralegals is well-versed in the preparation, revision, and intake of contracts, financing documents, and bids. Neal & Leroy's real estate team also prepares construction management agreements, professional service contracts, and other third-party agreements necessary in connection with construction transactions.

Real Estate Experience

- **Leading Work with Public and Private Entities:** We believe that Neal & Leroy has litigated the acquisition of more individual real estate properties on behalf of public entities than any other law firm in the state of Illinois. N&L has spearheaded large acquisition projects, rendered key administrative services for clients, and assembled large tracts for public and private projects, providing superior service for its clients. Neal & Leroy has represented parties through every stage of condemnation and eminent domain actions. The firm maintains a distinguished presence in Chicago and beyond.
- **Utility and Right of Way Work:** The firm has an extensive history helping clients resolve utility issues in real estate development matters, as well as representing private and public clients in drafting easements, air rights, and dedications. Our wide range of experiences across sectors allows us to provide tailored legal service with big-picture considerations in mind.

Commercial Real Estate and Finance:

Commercial Real Estate Finance

- **Financing:** N&L's team of attorneys have advised on a range of financing structures to help clients plan their acquisitions, including tax-deferred and tax-incremented financing, refinancing, and multi-party exchanges. Our team employs creative and flexible techniques to assist our clients in realizing their goals, advising across acquisitions, dispositions, environmental compliance, new development agreements and redevelopment agreements, coordination of financing and regulatory permits and approvals, and lease agreements that range from individual office or commercial spaces up to large shopping centers and other developments.
- **Purchases, Sales, and Exchanges:** We have represented clients across a range of complex real estate and construction transactions, prepared purchase agreements, conveyances, and multi-party exchange agreements, and analyzed and provided solutions to complex legal issues surrounding purchases and acquisitions. Our work has helped create affordable and low-income housing, led clients through unique foreclosure proceedings, and contributed to property acquisitions across multi-family, mixed use, commercial, and industrial sectors. Neal and Leroy's team is highly skilled in preparing the legal documentation and engaging in negotiation necessary to navigate contracts, mortgages, financing documents, regulatory agreements, and third-party agreements of all levels of complexity and scale. PAG.law PLLC (<http://pag.law>), is an elite boutique international law firm created with the intention of bringing Big Law firm expertise to handle a wide array of cross-border transactions with greater focus and efficiency. Together, we boast a corporate practice that redefines solutions to clients working equally with startup companies and large corporations, on transactions large and small.

From our Miami and New York City offices we have built a forward-thinking law firm designed to create long-term collaborative relationships with our clients, offering quality legal advice prioritizing practical solutions. Our lawyers include partners and associates who have trained at some of the most prestigious law firms in the U.S. and Latin America, many of whom are bilingual or trilingual (in English, Spanish, and Portuguese).

Our sweet spot is venture and growth equity capital, debt financings, private equity and middle-market M&A transactions globally, where our focus and efficiency sets us apart. PAG Law also has a strong litigation and arbitration team, experts on privacy and data security, IP and real estate attorneys on our teams licensed in Florida and New York. While the firm began with a focus on Latin America, clients have increasingly relied upon PAG Law for assistance with transactions in the U.S. and internationally, including cross-border transactions involving Asia, Europe, Africa and the Middle East

INNOVATIVE LEGAL SERVICES FOR YOUR BUSINESS

At PGTX, our philosophy is to put clients first and obtain results in a cost effective manner. Today, in Texas, this often means navigating the wild west of large Plaintiff verdicts in the smaller counties.

Our mission is to resolve cases as quickly as possible while ensuring the client's interests are always protected. We begin each matter with a cost projection of estimated costs of legal fees versus the benefit of early settlement, so our clients can see and understand the effectiveness of early case disposition.

TEXAS TRIAL LAWYERS

1. Local Litigators & Advisors

Our attorneys are from Central and South Texas. We live here, we try cases here, and know the juries in our area. One county can be right next door to another, and the expected verdicts can be very different. We know that difference and can advise our clients how to best navigate any case in a particularly dangerous county. That is the value of having PGTX on your side.

2. Licensed Mediators

Mediation, whether pre- or post-suit, can be a valuable step in a case. Sometimes, this is the *best* step, even very early in the process. Our attorneys are experienced in both guiding our clients through mediation as well as serving as mediators.

3. Arbitrators

Not all cases end up in Court, and not all cases should *stay* in court. We handle arbitrations as well. Whether you need an experienced arbitrator to help finalize a case or a litigator that knows the ins and outs of AAA arbitrations. We can serve your legal needs.

PRACTICE AREAS

- Personal Injury Defense
- General Liability Defense
- Construction Defect Defense
 - Residential & Commercial
- Non-Subscriber Defense
- Arbitrators & Mediators

OUR PROMISE

"No matter whether you're an individual, a small business, or large corporation, your case is important to you and therefore it is important to us."

ABOUT US

Our attorneys have extensive experience as lead counsel in jury and bench trials in state and federal courts as well as in arbitrations and mediations throughout the State of California. Our firm routinely provides representation in complex, class action and mass tort litigation. The Firm has been recognized by *Best Lawyers in America*® as a "Metropolitan Tier 1" law firm for commercial litigation, employment law (management), litigation (labor and employment), and mass tort litigation/class actions (defendants).

The Firm has 72 attorneys representing clients throughout California and other states in the primary practice areas of employment law, class actions, business litigation, product liability, immigration, investigations, DEI, premises liability, warranty and personal injury litigation.

A WINNING RECORD

- Secured dismissal of individual and putative class action alleging state-wide violations of California's Gift Card statute and fraud-related claims following single motion to dismiss.
- Defended a Fortune 100 technology company in a putative nationwide class action alleging an unlawful no-poach agreement entered into with a competitor in violation of state and federal antitrust laws. WTK prevailed on a Motion to Dismiss these claims and the dismissal with prejudice was affirmed by the 9th Circuit on appeal.
- Served as lead counsel for national alarm monitoring company in multidistrict litigation of more than a dozen class action and individual classes claiming violations of the Telephone Consumer Protection Act (TCPA).
- Represented a nationwide retailer in a putative statewide class action regarding meal breaks and rest periods for non-exempt employees. The complaint also asserted claims of off-the-clock work and failure to pay all overtime. The alleged putative class consisted of more than 15,000 current and former employees. We successfully defeated plaintiffs' motion for class certification and obtained summary adjudication on plaintiffs' overtime claim. After plaintiffs appealed, we obtained a very favorable settlement of these matters.
