The NAMWOLF Trials Practice Area Committee

The NAMWOLF Trials Practice Area Committee (“Trials PAC”) consists of attorneys and law firms with significant, demonstrated experience litigating and trying cases. Trials PAC members have litigated and tried cases in a wide range of matters, often involving complex commercial disputes, including: antitrust; AI; aviation; banking and finance; bankruptcy; business and commercial; constitutional; construction; consumer; corporate and securities; education; employment; entertainment; environment, energy & resources; ERISA; health & healthcare; immigration; insurance; intellectual property (copyright/patent/trademark/trade secret); international; labor; malpractice & professional liability; maritime; personal injury; premises & product liability; privacy & cybersecurity; public contract & entity; real estate; regulatory; restaurant retail & hospitality; RICO; taxation; toxic torts; transportation; trust & estates; warranty, white collar; and workers compensation / employee injury.

Our members have personal trial experience with single plaintiff, multi-party, “bet the company”, collective and class action, and multi-district litigation cases, as well as providing representation to their clients in mediations and arbitrations throughout the country. Collectively, members of the Trials PAC litigate and try cases in state and

federal court, as well as some international tribunals, and can put their experience to work in mediation and arbitration—always with the goal of getting the best outcome for the client.

Whether representing individuals, local, regional, national, or international businesses and institutions, our members are nimble, quick on their feet, and able to take on whatever the day in court may throw at them.

Our Trials PAC directory showcases the talents of our experienced NAMWOLF litigators and trial attorneys. Collectively, Trials PAC members have spent thousands of days in trial and arbitration in thousands of jury and bench trials and arbitrations. Trial PAC members have the experience to fully recognize and appreciate that each matter, especially those that go to trial or arbitration - small or large - is significant to the client. We hope this directory provides a resource for in-house counsel looking to work with experienced NAMWOLF litigators and trial attorneys, and neutrals, on a variety of legal matters and for our members to work collaboratively with each other across jurisdictions.

When you need seasoned representation—NAMWOLF's Trial PAC members have got you covered!

AGGRESSIVE WHEN NECESSARY
ALWAYS EFFECTIVE

ANDRADE GONZALEZ LLP attorneys have unmatched creativity and experience in all aspects of litigation and trials with nationally recognized results. We have tried dozens of cases to verdict or final decision and successfully resolved over 500 cases through early resolution and strategic motions.

When Founding Partner Sean Andrade obtained a full defense verdict in a four-week jury trial with five plaintiffs seeking \$24.5 million in damages with difficult claims of sexual abuse, The Los Angeles & San Francisco Daily Journal recognized this result as a "Top Defense Verdict."

Last year, our firm defeated liability in a high profile wrongful death case and achieved a major victory in the Court of Appeal on a critical emergency writ, securing a stay and a reversal of the trial court's ruling.

"Ms. Axelrod served with me on a large complex commercial dispute with the amount in controversy in the tens of millions. During the two-week hearing she was very attentive, asking insightful questions, and raising important points during the panel discussions She was [also] instrumental in the preparation ... of the 70-page award[.]"

John Lowe

INTERNATIONAL ARBITRATOR AND MEDIATOR

"[After being appointed the Receiver and completing her analysis of the case,] Ms. Axelrod was able to successfully work with the parties to resolve a case [spanning 6-years in litigation] that seemed completely unresolvable. I highly recommend Ms. Axelrod both as a Receiver, and also as a Mediator."

Commercial and Business Litigation

CM Law is the largest national, full-service, women-owned & managed law firm in the U.S. Our nearly 70 attorneys bring an average practice experience of more than 20 years. Our trial attorneys have the experience, grit, and skill to fight our clients' battles, while keeping in mind business objectives and workplace relationships. We try cases nationwide, leveraging our significant knowledge of our local state and federal courts in our "home" states and those nearby, and our deep subject matter knowledge on behalf of our clients wherever the need arises. And our attorneys have significant appellate experience to back up our trial (or arbitration) results. Our experienced partner-level attorneys offer our clients a wealth of experience, and CM Law's innovative cloud-based practice model and use of technology allow us to work nimbly, whether in the office or on the road while keeping overhead and fees to clients well below those charged by firms with comparable experience. We'd love to put this experience to work for you.

WHY CHOOSE OUR LITIGATION TEAM?

- **We are not afraid to try cases.** Working up each case to be trial-ready prepares us to prosecute dispositive motions, engage in effective settlement negotiations, and go to trial. Our experience allows us to work effectively with our clients and their opponents to fashion creative ways to resolve disputes. We are also frequently asked to step into matters on an expedited basis, such as those involving injunctive and other extraordinary relief.
- **Our know-how makes us quick on our feet, able to adapt to quickly changing dynamics in the courtroom.** The significant experience our litigators bring to the table is unparalleled.
- **We offer business-savvy solutions that only seasoned professionals can provide.** This allows us to act as facilitators – not "roadblocks" to your business objectives, moving the dispute quickly from claim to settlement through our broad experience and expertise in alternative dispute resolution processes.
- **Our competitive fees are unmatched by similarly-experienced partners at traditional law firms.** Our billing rates for our partners are usually equal to or lower than those charged by large firms for their junior associates.
- **Our lawyers place a premium on relationships.** We learn your business so we can represent your interests seamlessly as an extension of your organization.

Trial Team

Lawrence Law's trial attorneys have experience trying a wide range of cases, including corporate disputes, regulatory defense, products liability defense, commercial and securities arbitrations, intellectual property disputes, routine commercial disputes, and employment matters. Though pre-suit resolution is oftentimes preferred and in our clients' best interests, we are always prepared to try cases to verdict or award. Indeed, our trial attorneys have achieved notable successes in high-stakes, and sometimes high-profile, cases in Maryland and across the country. Those successes include a rare defeat of the U.S. Securities and Exchange Commission in a high-profile securities fraud prosecution and several significant defense verdicts in corporate and products liability litigation.

Our clients include businesses and businesspeople from diverse industries, including vehicle manufacturers, financial services firms, and commercial construction contractors. Likewise, our clients include global Fortune 500 companies and local, privately held Maryland businesses. As part of our edge, our trial team leverages state-of-the-art technology to provide exceptional representation to clients in all matters.

Our attorneys are deeply rooted in the Maryland legal community and have leadership positions in the Maryland State Bar Association and other local bar associations and legal organizations. Our trial team also regularly serves as local counsel in class actions and other complex cases pending in Maryland state and federal courts.

Our goal is to secure the most favorable outcomes with minimal impact on the client's business and reputation.

EMPLOYMENT LITIGATION

LITIGATION AND TRIAL PRACTICE

LimNexus is a business law firm with a global reach, providing efficient, personalized and solutions-based service to our clients. Attorneys in our litigation and trial practice group represent domestic and international clients in state and federal courts throughout California and in arbitration proceedings around the world. Our litigation practice experience and expertise includes complex commercial and business litigation, intellectual property disputes, international arbitration and cross-border litigation, catastrophic injury and property damage defense, labor and employment counseling and litigation, bankruptcy and restructuring, and white collar criminal investigation and defense.

LimNexus litigators and trial attorneys are, first and foremost, problem-solvers. Members of our litigation and trial practice group excel in counseling clients on how to avoid litigation and/or minimize their liability exposure before disputes arise. When litigation does occur, we work closely with our clients to identify their objectives and develop a tailored strategy to achieve those goals. Frequently this involves positioning the matter, in an efficient and cost-effective manner, to be resolved by dispositive motion or settlement. However, if trial becomes necessary, our seasoned trial attorneys make sure that each client's case is presented in an effective and compelling way to maximize the likelihood of a positive outcome for our clients.

TALENTED TRIAL COUNSEL

NILAN JOHNSON LEWIS (NJL) is an innovative, independent, women-owned law firm that is a first choice for organizations across the country seeking deep expertise to solve their complex business challenges and disputes. The firm's status as one of the largest women-owned law firms nationwide reflects NJL's longstanding commitment to fostering a diverse and inclusive workplace. We deliver exceptional results precisely because we celebrate and advance the diversity of our team and clients.

Many litigators don't actually try cases. We do. We recognize that every step of a case - from the initial response to a demand through summary judgment briefing - can have a profound effect on the outcome of a trial. We constantly analyze the facts, the witnesses, and our legal defenses to place our client in the best position at trial. We categorize every claim by exposure level, and then tie our litigation strategy and legal spend to the exposure to ensure a targeted, cost-effective approach. Given the rise in so-called nuclear verdicts, we select the "right" cases for trial for the best possible results.

We also understand the disruption that litigation has on your business. That's why we make it a priority to know your business and build strong relationships with your leaders and company witnesses, so we can minimize the impact on them while maximizing the likelihood you will prevail at trial.

NATIONAL RECOGNITION

Nilan Johnson Lewis' trial counsel have been nationally recognized for their skills in the courtroom. We have members of the American Board of Trial Advocates (ABOTA), the American College of Trial Lawyers, the Federation of Defense and Corporate Counsel, and the Association of Defense Trial Counsel. The vetting required to become associated with those organizations show you don't just have to take our word for how good we are in the courtroom.

DROP-IN TRIAL EXPERIENCE

Nilan Johnson Lewis' trial counsel have been nationally recognized for their skills in the courtroom. We have members of the American Board of Trial Advocates (ABOTA), the American College of Trial Lawyers, the Federation of Defense and Corporate Counsel, and the Association of Defense Trial Counsel. The vetting required to become associated with those organizations show you don't just have to take our word for how good we are in the courtroom.

ARBITRATION

We have also successfully tried numerous arbitrations, including seven cases before the AAA in just the past five years, reaching complete defense verdicts in six of the arbitrations, and a partial defense verdict in one.

JURY RESEARCH

We work with top-flight jury research companies to prepare witnesses for difficult cross-examinations. Our team also does real time research on prospective jurors during voir dire to identify problematic jurors.

WITNESS PREPARATION

Because we know your business, we can identify and groom the witnesses most effective at telling your company's story. We carefully plan preparation sessions to balance work and litigation risks.

RELATIONSHIPS WITH EXPERTS

Our close relationships with industry-leading experts means that they will take our calls and work with us to develop the most persuasive explanations of difficult concepts for jurors.

INNOVATIVE LEGAL SERVICES FOR YOUR BUSINESS

At PGTX, our philosophy is to put clients first and obtain results in a cost effective manner. Today, in Texas, this often means navigating the wild west of large Plaintiff verdicts in the smaller counties.

Our mission is to resolve cases as quickly as possible while ensuring the client's interests are always protected. We begin each matter with a cost projection of estimated costs of legal fees versus the benefit of early settlement, so our clients can see and understand the effectiveness of early case disposition.

TEXAS TRIAL LAWYERS

1. Local Litigators & Advisors

Our attorneys are from Central and South Texas. We live here, we try cases here, and know the juries in our area. One county can be right next door to another, and the expected verdicts can be very different. We know that difference and can advise our clients how to best navigate any case in a particularly dangerous county. That is the value of having PGTX on your side.

2. Licensed Mediators

Mediation, whether pre- or post-suit, can be a valuable step in a case. Sometimes, this is the *best* step, even very early in the process. Our attorneys are experienced in both guiding our clients through mediation as well as serving as mediators.

3. Arbitrators

Not all cases end up in Court, and not all cases should *stay* in court. We handle arbitrations as well. Whether you need an experienced arbitrator to help finalize a case or a litigator that knows the ins and outs of AAA arbitrations. We can serve your legal needs.

PRACTICE AREAS

- General Liability Defense
- Construction Defect Defense
 - Residential & Commercial
- Non-Subscriber Defense

Amy M. Stewart

Founding Partner
Intuitive. Strategic. Relentless.

Selected by [Texas Lawyer](#) in 2022 as one of the top three attorneys in Texas, Amy founded and leads the only minority and woman-owned business litigation defense firm in Dallas-Fort Worth. Amy resolves commercial, employment/labor, and product liability matters for the firm's multiple Fortune 100 clients. Also, Amy is certified as an Arbitrator with the American Arbitration Association and presides over commercial, construction, and employment matters. She was recently inducted into the prestigious International Institute for Conflict Prevention and Resolution Panel of Distinguished Neutrals. In addition to her civil trial and arbitration experience, Amy is a highly sought-after investigator who leads high-profile and sensitive ethics and workplace-related investigations.

What sets Amy apart from other attorneys are the skills she garnered from her experience in the athletic world. Winning is in her blood – she played college basketball at Wake Forest University and coached Division I basketball at her alma mater and Tulane University before shifting her focus to wins in the courtroom. Amy's unique background leads her to zealously compete on her clients' behalf with an aggressive yet respectful approach.

A FORCE TO BE RECKONED WITH

As one of her long-time clients explains, "Amy has the unique ability to not only connect with our CEO but also bond with front-line workers to get the job done." Based on her experience building winning teams, Amy never gives up on meeting her client's objectives and uses her intellect and intuition to alter the game plan when issues arise. Business clients want Amy and her team to lead and represent their interests as their outside legal counsel. Opposing counsel respects her legal acumen and tenaciousness.

LEADER BY EXAMPLE

Amy leads the only minority and woman-owned law firm in Dallas focused on business litigation, labor and employment, product liability, and personal injury defense. In 2024, Amy was voted Vice Chair of the American Bar Association Litigation Section to lead the country's largest association of litigators and trial attorneys. In 2020, Amy and her team conducted the first-ever [Zoom summary trial](#) in the country. She is a frequent speaker at local, state, and national legal and non-legal conferences on several subjects.

Amy has been honored with numerous industry awards, including the Top 10 Texas Super Lawyers, 2024, Dallas Business Journal's 2023 Women in Business, 2023 U.S. News – Best Lawyers® "Best Law Firms," 2023 D CEO Dallas 500 Most Powerful and Influential Leaders in Dallas-Fort Worth, 2022 The Best Lawyers in America, 2022 Women, Influence & Power in Law Best Mentor Law Firm, 2022 D Best Lawyers in Dallas, 2022 D CEO Dallas 500 most powerful and influential leaders in Dallas-Fort Worth, 2021 Best Lawyers in America, 2021 Super Lawyers 50 Top Women Lawyers in Texas, 2021 Lawdragon 500 Leading U.S. Corporate Employment Lawyers, 2020 Texas Minority Counsel Program Trailblazer of the Year, 2020 America's Top 100 Personal Injury Attorneys, 2020 National Black Lawyers Top 100, 2020 & 2019 Dallas Bar Association's Presidential Citation, the 2019 Dallas Business Journal Minority Business Owner Award, 2019 American Bar Association 100 Women Who Inspire Us Award and is a five-time Super Lawyers honoree.

At Walsh we successfully handle litigation matters at all stages including presuit, pretrial, trial, and through alternative dispute resolution (ADR). We represent international, national and regional corporations of all sizes, as well as individuals, across a broad range of industries and practice areas. We know that often the most efficient and pragmatic strategy is one that avoids litigation and minimizes litigation risk. When litigation is necessary, Walsh's track record speaks for itself: we have successfully tried or settled hundreds of cases in both state and federal courts.

Walsh also works with clients interested in utilizing ADR to reach a consensual resolution while avoiding costly and time-consuming litigation. TRIAL EXPERIENCE

WHY WE'RE DIFFERENT

Walsworth's trial team recognizes that in a litigation practice, the ability to successfully try cases to verdict is essential. Although trial is generally never the goal of the parties in a lawsuit, retaining counsel who has the ability to try cases and a history of successful trial results is a must. We have begun trial in over 900 jury trials, 250 non-jury trials, tried over 300 trials to verdict, and handled more than 275 arbitrations.

Experience, creativity, and collaboration are the keys to our successful outcomes. For more than 35 years, Walsworth has represented clients in trial across a full spectrum of industries. We dive into our clients' businesses from the outset of representation to fully understand all of the intricacies, and develop tailored strategies and defenses that resonate in the courtroom. Walsworth's trial attorneys' extensive experience before judges and juries is valuable not only when in trial, but also before the case gets to that point. Our comprehensive knowledge of what it takes to succeed in trial is carefully applied to the strategic work-up of each case. In addition, Walsworth's team of highly successful trial lawyers includes members of the American Board of Trial Advocates (ABOTA), one of the preeminent national organizations for experienced trial lawyers.

OVERVIEW

Wright, Finlay & Zak, LLP ("WFZ") is a full-service litigation and transactional law firm with offices in California and Nevada. We also have attorneys who are licensed in Washington, Arizona, Oregon, Utah, New Mexico, Montana, Hawaii, and South Dakota, allowing WFZ to assist you with your legal needs throughout the Western United States. WFZ provides its legal services at reasonable hourly rates, with particular attention to the overall cost of any matter. Our goal is to provide quality representation and excellent service at a reasonable cost.

LOAN SERVICING AND DEFAULT LITIGATION

WFZ's core practice area includes representing national, regional and small loan servicers, investors and originators in all aspects of mortgage banking and consumer finance litigation. Representation ranges from defending creditors in individual borrower cases to class and "mass" actions involving payment misapplication, loan modification, wrongful foreclosure, predatory lending, bankruptcy, title, rent control, force-placed insurance, unfair business practices and other mortgage-related issues impacting our clients. Our attorneys have experience in defending cases involving most Federal and State statutes, including the California and Nevada HOBR, TILA, RESPA, FCRA, FDCPA, California's Rosenthal Act, TCPA, SCRA, RICO, HAMP and HAFA. We successfully resolve most cases via settlement that results in a performing asset or liquidation. WFZ also assists its clients in mortgage fraud recovery, helping our clients recover mortgage losses caused by originator, broker or appraiser fraud and negligence. WFZ can also assist with affirmative actions for judicial foreclosure, deficiency judgments, title curative and receiverships.

If you have any questions pertaining to this area of practice, please contact **Robert Finlay** or **Robin Wright**.

SERVICING COMPLIANCE

WFZ provides mortgage servicing clients with all aspects of regulatory compliance advice. WFZ's attorneys have assisted its clients with compliance with the CFPB Rules, National Mortgage Settlement and various federal statutes, including FDCPA, RESPA, TILA and TCPA. We have designed programs for many of our clients to ensure compliance with California and Nevada's Homeowner Bill of Rights, Washington's Foreclosure Fairness Act, and state and federal successor in interest laws. WFZ's Compliance, Licensing and Regulatory Division is actively involved in the state lobbying process and has direct access to lobbyists in many of the states we cover on the West Coast. WFZ is able to track pending laws, oppose unwanted laws and revise bills that are likely to pass, which helps our clients track potential new legislation and implement new procedures to ensure compliance when the new laws go into effect. WFZ also assists clients in responding to regulatory complaints and investigations relating to loan servicing.

If you have any questions about our servicing compliance practice, please contact **Michelle Mierzwa** or **Robin Wright**.
